Message from the Directors:

The Absa Bank Kenya PLC Board of Directors is pleased to present our financial performance results for the period ending March 31, 2026. In a complex operating environment, we continued to demonstrate resilience, disciplined execution and balance sheet strength, supported by our purpose of "Empowering Africa's tomorrow, together, one story at a time."

While market conditions remained dynamic, we delivered a profit after tax of Ksh 5.3 billion and a return on equity of 20.3%. Revenue closed at KES 14.7 billion, reflecting the impact of the lower-rate environment, partly offset by improved cost-of-funds management.

In the year, total assets grew by 10% to KES 571.3 billion, underscoring the resilience of our balance sheet. Customer assets closed at KES 303.8 billion with Customer Deposits growing by 8% to close at KES 399.1 billion, demonstrating strong customer engagement and relationships.

Our performance also reflects disciplined investment and prudent risk management. Operating expenses increased by 3% to KES 5.7 billion, reflecting continued investment in customer-focused transformation. Impairment charges improved by 1% to KES 1.5 billion, supported by prudent credit-risk management and quality of our portfolio with adequate coverage ratios.

Our strategy remains relevant in delivering measurable commercial momentum and strengthening our competitive position across the franchise. In Private and Personal Banking, we enhanced and scaled high net worth Wealth proposition and continued innovation with leading platinum card proposition, contributing to our recognition as Best Retail Bank Kenya 2025.

In Business Banking, we accelerated our anchor ecosystem client acquisition driving improved access to working capital for our SME customers while our Business Credit Card proposition continues to support our SME customers in their cashflow management. We have also made material enhancements in our Asset Based Finance proposition with several key strategic partnership deals signed during the period.

In Corporate Bank, we consolidated our leadership and were ranked number 1 in East Africa for M&A by deal value, with several large, landmark deals executed for our clients, underscoring the strength of our sector coverage model and bespoke mandates. Global Markets ranked number 1 in FX revenue performance and continued innovating for the customer with introduction of new currency pairs, expanding non funded income and diversifying earnings.

Beyond financial performance, we remain committed to sustainable and inclusive growth. Through the Absa Kenya Foundation, we launched the CirculaRising program to convert our sustainability agenda into a commercial pipeline by supporting 2,000+ women and youth led circular economy MSMEs, with potential impact on 30,000+ livelihoods. Developed together with global development and impact partners, the programme leverages partner capital and expertise to extend balance sheet reach, de risk origination, and accelerate enterprise credit readiness.

From a brand and stakeholder perspective, we continue to invest in significant initiatives that reinforce our relevance and connection to our customers and the communities within which we operate. The Magical Kenya Open and Absa Kip Keino Classic remains flagships expression of our commitment, alongside continued engagement with key partners across our priority ecosystems. These outcomes reaffirm our commitment to delivering sustainable results while ensuring inclusive growth of our customers, stakeholders and communities we serve.

Looking ahead, the Board remains confident in Absa Bank Kenya's ability to navigate the evolving market dynamics while continuing to deliver sustainable value. Our focus remains on disciplined execution, customer-centric innovation, prudent risk management, and long-term shareholder returns.

Appreciation
On behalf of the Board, I extend my sincere appreciation to our shareholders, customers, colleagues and partners for their continued trust and support. The Board remains committed to providing strong governance, effective oversight and strategic direction as we continue to reinforce Absa's position as a forward-looking financial services provider across Consumer, SME, Business and Corporate Banking.
