DTB's ***APPROACH TO SUSTAINABILITY***

DTB's Environmental Social and Governance (ESG) Anchors:

Environment

Social

Governance

Major Sustainability Milestones:

DTB **joined the UN Global Compact** in 2021 and committed to support and implement the UNGC Principles on human rights, labour, environment, and anti-corruption.

DTB has embarked on collecting, calculating, reporting, reducing, and offsetting the Bank's carbon emissions with the **aim of being carbon neutral by 2030.**

DTB's APPROACH TO SUSTAINABILITY

DTB has collected and recycled **over 6.2 tonnes** of paper waste since October 2019.

DTB focused efforts on access to clean water by funding the drilling of 3 boreholes and construction of 40 water catchment springs in Mombasa and Migori, **enabling over 20,000 households access safe water**.

In the effort to promote SDG 5 on Gender equality the ratio of men to women in 2021 is **51:49**. 27% of the executive management across the Group comprises of women.

As part of the effort to sustainably contribute to Environmental Conservation and offset our Carbon emissions DTB runs a campaign dubbed Much More Than Trees (#MMTT). The campaign aims to engage and empower various community members to plant, and protect trees within the Environment as they benefit from them in the long run. So far **more than one million trees have been planted** through the initiative.

DTB hosted a series of financial literacy training sessions aimed at empowering micro, small and medium-business owners to run their businesses in a sustainable and efficient manner. The Bank hosted **3,200 participants** over 8 sessions since 2019.

DTB is also one of seven banks that has partnered with the National Government to implement the Credit Guarantee Scheme, which offers SMEs affordable credit to sustain their operations from the adverse effects of the pandemic. So far, **over 130 loans** amounting to KShs 283m plus have been disbursed.

DTB launched an initiative dubbed **#AchieveMoreGirls** in which DTB is committed to spend **Kshs 50 Million over five years** on an initiative to support over 30,000 schoolgirls access quality menstrual health products. In 2020 and 2021 more than 15,000 girls have been reached.

DTB is revamping its existing environmental and social risk framework by developing a **robust Environmental and Social Management System (ESMS)** with an articulated policy, procedures and processes which are integrated into the Bank's credit cycle. DTB has a roadmap on how to further embed Environmental and Social Risk Management in line with the recently issued guidelines on Climate-Related Risk Management by CBK and Nairobi Securities Exchange ESG disclosures guidance manual.
