NATION MEDIA GROUP LIMITED

The Directors are pleased to announce the unaudited half-year Group results for the six months ended 30th June, 2013.

The Group registered an overall improvement compared to the same period last year. Group turnover increased by 10% to Kshs.6.43 billion, while the profit before tax increased by 17.5% to Kshs.1.62 billion.

The Group's results were boosted by good revenue growth, driven by volume increase, stable cost of imported raw materials and a stable Kenya Shilling in the period under review. In addition, positive contribution by our regional subsidiaries and prudent cost management resulted in an overall growth compared to the same period last year.

The economic outlook locally and regionally is expected to improve. Management will continue to implement initiatives to ensure the Group's leading position is sustained and consolidated. Overall, the Board is cautiously optimistic that the positive performance will be sustained for the balance of the year.

INTERIM DIVIDEND

The Directors have resolved to declare an interim dividend of Kshs.2.50 (100%) per share for the half year on the issued share capital of 188,542,286 ordinary shares of Kshs.2.50 each. This translates to a payment of Kshs.471.4 million, an increase of Kshs.78.6 million (20%) compared to last year. The total interim dividend payout will amount to Kshs.471.4 million (2012: Kshs.392.8 million).

The dividend will be paid less withholding tax where applicable on or about 30th September, 2013, to shareholders registered at the close of business on 6th September, 2013.

The register of members will be closed from 9th September to 13th September, 2013, both dates inclusive.

By order of the Board
