Operating Environment

Economic Overview: Kenya's macro-economic environment remains resilient driven by an accommodative monetary policy, sectoral recovery, moderated inflation, currency stability and sustained GDP growth

Resilient GDP growth

Upgrade of Sovereign Rating

Agency	Previous	Current
Moody's	Caa1 Positive	B3 Stable ↑
S&P	B- Negative	B Stable ↑
FitchRatings	B- Stable	B- Stable

Sharp drop in CBR

In Summary

Tailwinds

- Resilient GDP growth
- Anchored inflation
- Stable currency with sufficient FX reserves
- Easing monetary policy to spur private sector credit growth
- Revised positive outlook by rating agencies driven by fiscal consolidation efforts by the government
- Revamp of the equities markets with ETFs listing and expected IPOs

Headwinds

- Sustained pressure on disposable incomes and constrained consumer purchasing power
- Increased geopolitical tensions and conflicts
- Elevated uncertainty on global trade policies
- Climate change creating unpredictable weather patterns

Private sector credit growth (%)

Our Strategy Overview: We are in the fourth year of our five-year strategic cycle 2023 - 2027

Our purpose: Empowering Africa's tomorrow, together... one story at a time

3 Priorities

1. **A modern-day consumer business** – Shift the business focus from being product-led to customer segment-led
2. **A market leader in business banking** – Expanding into priority sectors by offering relevant services to our clients boosting product holding and revenue per customer
3. **A powerhouse in corporate and investment banking** – Refocus our Ecosystem Model to capture the entire value chain of opportunities within Absa

3 Enablers

1. **A digitally powered business** – Modernize our core technology infrastructure, digitize customer journeys and ensure seamless customer experiences across all interaction points
2. **A Trusted Brand** – Build our brand affinity with our clients and employees while being a Force for Good in the society
3. **A Home of Talent & Diversity** – Cultivating a conducive culture that fosters innovation, motivation and engagement among the workforce

Our Strategic Execution: We made significant progress in executing our key strategic priorities and initiatives, delivering strong and commendable results

A modern-day Consumer financial services business

We accelerated the execution of our segment-led business strategy, while sharpening our product excellence

- Revamped our Premier and Prestige offerings including launch of our Wealth Management proposition (exponential growth in our assets under management to over Kes 46 Billion)
- Expanded distribution through physical and digital channels, resulting in improved efficiency and growth in customer numbers
- Double-digit growth of our digital lending proposition “Timiza” business to drive our revenue diversification strategy
- Launched new card offerings including new Visa Infinite Metal debit and credit cards with seamless MPESA integration, LaRiba credit cards, revamped virtual prepaid cards, among others
- Sustained market leadership in bancassurance, ranking #1 in profitability
- Improved market position in our asset management business, ranking #3 in money market funds

A market leader in Business Banking

We have expanded into priority sectors by offering relevant services to our clients boosting product holding and revenue per customer

- Doubled businesses in ecosystem platform delivering 18X growth in lending drawdowns
- Celebrated 20 years of Islamic Banking and hosted the first Annual Islamic Conference
- Over 40,000 SMEs impacted through our capacity building initiatives
- +250% growth in settlements through Absa Pay SME Merchant solution (“Lipa na Absa”)
- Enhancement of Shariah-compliant banking solutions
- Launch of the Business Credit Card to support business cashflow

Our Strategic Execution: We made significant progress in executing our key strategic priorities and initiatives, delivering strong and commendable results

Significant market share gain in FX income

- Absa Kenya served as East Africa Breweries Limited's financial advisor on the \$3 billion acquisition of Diageo's 65% controlling stake in EABL by Asahi Group Holdings
- Investment in digital payment solutions including over 10% market share in government payments
- Leading commercial property financier across the region
- Our core FX business volumes have scaled at an accelerated pace, driven by strong client adoption of our digital "Personalized FX" platform
- Our "Emerge" business client solutioning has been notably strong across both risk management and yield enhancement solutions.
- Dual listing of the Satrix MSCI World ETF on the NSE, enabling local investors to access global markets through our cross-border expertise

Accelerated New Businesses growth: Our investments in new businesses continue to drive our revenue diversification strategy thereby future-proofing our business and delivering market-leading performance
