NATION MEDIA GROUP LIMITED

UNAUDITED HALF YEAR GROUP RESULTS FOR THE SIX MONTHS TO
30TH JUNE 2012

The Directors are pleased to announce the unaudited half year Group results for the six months ended 30th June 2012.

The overall performance was an improvement as compared to the same period last year. Group turnover increased by 14% to Kshs 5.84 billion, while the profit before tax increased by 23% to Kshs 1.38 billion.

The Group's results were boosted by good revenue performance, driven by market share gains, and the stable cost of imported raw materials as a result of the strengthening of the Kenya shilling against the major world currencies. In addition, high interest income earned on the Group's cash reserves and prudent cost management resulted in an overall significant year on year improvement in the Group's performance.

Management will continue to undertake initiatives to take full advantage of the improving regional economic environment and to ensure the Group's leading position continues to be strong. The Board is cautiously optimistic, that the overall improved performance will be sustained for the balance of the year.

INTERIM DIVIDEND

The Directors have resolved to declare an interim dividend of Kshs 2.50 (100%) per share for the half year on the issued share capital of 157,118,572 ordinary shares of Kshs 2.50 each. The increase of 67% from Kshs 1.50 paid last year is as a result of the Group's improved performance. The total interim dividend payout will amount to Kshs 392.8 million (2011: Kshs 235.7 million).

The dividend will be paid less withholding tax where applicable on or about 28th September 2012 to shareholders registered at the close of business on 31st August 2012.

The register of members will be closed from 3rd September to 7th September 2012 both dates inclusive.
