"I am happy with our overall half-year performance; the numbers really speak for themselves and they show that the Bank is in a very good position because we have recorded positive growth across all core indicators including shareholders' equity which has increased by 13.2 percent year-on-year," said Bank of Kigali **Chief Executive Officer, Dr. Diane Karusisi**.

"The good performance also shows that 2017 is not only about celebrating our 50th anniversary. As we head into the second half of the year, the Bank is today, also activating '**Bigereho na BK**' a nation-wide experiential product campaign which gives our non-customers a chance to become part of our five-decade story by opening a BK Account and join us on a transformative journey to the future," **Dr. Karusisi added**.
