NOTICE OF THE ANNUAL GENERAL MEETING

Notice is hereby given that the fifty eighth (58th) Annual General Meeting of the shareholders will be held via electronic communication on Thursday, 15th June 2023 at 11.00 a.m. for the following purposes:

Ordinary business

1. To receive, consider and if approved, adopt the Group's audited financial statements for the year ended 31 December 2022, together with the Chairman's, Directors' and Auditor's reports thereon.
2. To approve the Directors' remuneration and the Directors' Remuneration Report for the year ended 31 December 2022.
3. The Board of Directors does not recommend payment of a dividend for the year ended 31 December 2022.
4. To elect Directors:
 - (i) In accordance with the Company's Articles of Association, Mr. Julius W. Mwatu retires by rotation and being eligible offers himself for re-election.
 - (ii) Pursuant to paragraph 2.5.1 of the Code of Corporate Governance Practices for Issuers of Securities to the Public 2015, to approve the continuation in office as a director of Dr. Michael G. Waweru who is above the age of seventy (70) years.
 - (iii) Pursuant to paragraph 2.5.1 of the Code of Corporate Governance Practices for Issuers of Securities to the Public 2015, to approve the continuation in office as a director, Mr. Peter T. Kanyago who is above the age of seventy (70) years.
 - (iv) Pursuant to paragraph 2.5.1 of the Code of Corporate Governance Practices for Issuers of Securities to the Public 2015, to approve the continuation in office as a director, Mr. Wanjuki Muchemi who is above the age of seventy (70) years.
5. Pursuant to the provisions of Section 769 of the Companies Act 2015, Mr. Julius Waita Mwatu, Mr. Peter T. Kanyago and Mr. Nganga Njiinu (representing Transcentury PLC) being members of the Board Audit, Risk and Compliance Committee be re-elected to continue to serve as members of the said committee.
6. To approve the re-appointment of RSM Eastern Africa LLP as the auditor in accordance with section 721 (2) of the Companies' Act, 2015 and to authorise the Directors to fix their remuneration for the ensuing year in accordance with the provisions of Section 724 (1) of the Companies Act, 2015.
7. To transact any other business of which due notice has been given.

BY ORDER OF THE BOARD

Virginia Ndunge
Company Secretary
P.O. Box 18243 - 00500
Nairobi

28 April 2023

Notes accompanying this Notice of Annual General Meeting are contained in pages 2 to 4.

NOTICE OF THE ANNUAL GENERAL MEETING

In order to complete the registration process, Shareholders will need to have their ID/Passport Number which were used to purchase their shares and their shares account number or CDSC account number.
3. Registration for the AGM opens on 8th June 2023 at 08:00am and will close on 14th June 2023 at 12:00 Noon.
4. For assistance, Shareholders should dial the following helpline numbers: +254 20 8690360 from 8:00 a.m. to 4:00 p.m. during the registration Open Period. Any Shareholder outside Kenya should dial the helpline number to be assisted to register or send an email to **digital@candrgroup.co.ke**.
5. Shareholders can access the Virtual AGM using their log in credentials via a link to the AGM Platform to view the livestream, vote and submit questions. Shareholders without internet access can access the Virtual AGM and vote and submit questions via USSD using short code number ***384*043#**
6. Shareholders wishing to raise any questions for the AGM may do so by:
 - (a) Accessing Virtual AGM online at <https://digital.candrgroup.co.ke> or via a link to the AGM Platform; Select Attend Event; Select "East African Cables Plc AGM"; Select "Q&A" option tab and submit questions in text box provided; or
 - (b) Accessing Virtual AGM via USSD platform using short code number *384*043# Use the menu prompts to Select option for "Q&A" and submit their questions (within 160-character limit for SMS text); or questions (within 160 character limit for SMS text); or
 - (c) Sending their written questions by email to digital@candrgroup.co.ke; or
 - (d) To the extent possible, physically delivering their written questions with a return physical address or email address to the offices of Custody and Registrars Services Ltd, Company's Registrars, at IKM Place, Tower B, 1st Floor, 5th Ngong Avenue.
Shareholders sending questions by email or delivering to C&R Group must provide their full details (full names, Shares Account Number/CDSC Account Number) when submitting their questions and clarifications.
Also attach a copy of your ID/Passport.
7. Shareholders wishing to vote may do so by:
 - (a) Accessing Virtual AGM online at <https://digital.candrgroup.co.ke> or via a link to the AGM Platform; Select Attend Event; Select "East African Cables Plc AGM"; Select "Voting" option tab and vote; or
 - (b) Accessing Virtual AGM via USSD platform; Select the menu option for "Voting" and follow the various prompts regarding the voting process.

NOTICE OF THE ANNUAL GENERAL MEETING

NOTES (CONTINUED)

8. In accordance with Section 298(1) of the Companies Act, Shareholders entitled to attend and vote at the AGM are entitled to appoint a proxy to vote on their behalf. A proxy need not be a member of the Company. A Proxy Form is available on the Company's website **www.eacables.com** and on the last page of this Annual Report.

Physical copies of the Proxy Form are also available at the following address: Custody and Registrars Services offices, IKM Place, Tower B, 1st Floor, 5th Ngong Avenue. To be valid, the proxy form must be duly completed by the shareholder, or his attorney duly authorized in writing. If the shareholder is a body corporate, the instrument appointing the proxy shall be given under its common seal (if any) or under the hand of an officer or duly authorized attorney of such body corporate. A completed form of proxy should be emailed to proxy@candrgroup.co.ke in pdf format or delivered to Custody and Registrars Services, IKM Place, Tower B, 1st Floor, 5th Ngong Avenue Nairobi or be posted to Custody and Registrars Services, P.O. Box 8484-00100 Nairobi so as to reach the Registrar or the Company Secretary not later than 10.00 a.m. on 13th June 2023. Duly completed form must be supported by a copy of ID/ valid Passport of the member and include the ID/Passport, email or telephone number of the proxy to facilitate registration. Any proxy registration that is rejected will be communicated to the shareholder concerned no later than 13th June 2023 at 3.00 pm to allow time to address any issues.

- 9 The AGM will be streamed live to all shareholders who will have registered to participate in the general meeting.
- 10 Duly registered shareholders and proxies will receive a short message service SMS/ and/or an email two hours ahead of the AGM, reminding duly registered shareholders and proxies that the AGM will begin in two hours' time and providing a link to the livestream.
- 11 Duly registered shareholders and proxies may vote (when prompted by the Chairman) via the USSD ***384*043#** or on the AGM Platform.
- 12 A poll shall be conducted for all the resolutions put forward in the notice.
- 13 Results of the AGM shall be published within 24 hours following conclusion of the AGM.
- 14 For any unclaimed dividends, the preferred method of paying dividends which are below KShs 140,000 is through M-PESA. Shareholders who wish to receive their dividend through M-PESA and who have not registered for this mode of payment can opt to receive future dividends by dialing ***483*038#** or contacting the Share Registrar, Custody & Registrars Services Limited.
- 15 All present and former shareholders of the Company are hereby notified that pursuant to the provisions of the Unclaimed Financial Assets Act No 40 of 2011 Parts II and III, dividends and shares which have not been claimed for a period of three (3) years or more will be delivered to the Unclaimed Financial Assets Authority ('the Authority') as abandoned assets on the appointed date.

Therefore, all shareholders with unpaid dividends are requested to urgently contact the Share Registrar, Custody & Registrars Services Limited to claim any unpaid dividends to avert the risk of the dividends being forwarded to the Authority.

NOTICE OF THE ANNUAL GENERAL MEETING

Explanatory Notes to Resolutions proposed to be passed at the AGM to be held on 15 June 2023

Ordinary business

Agenda Item 1 - Report and Accounts 2022

Resolution 1: THAT the Report of the Directors and the Financial Statements for the year ended 31 December 2022, as audited by the Company's Auditor now submitted to this meeting be and are hereby approved and adopted.

The Report and Accounts for the year ended 31 December 2022 were approved by the Directors on 28 April 2023 and are presented for adoption by Shareholders.

Agenda Item 2 - Directors Remuneration and Remuneration Report

Resolution 2: THAT the Directors remuneration as stated in Note 24(a) to this Annual Report and Financial Statements and the Remuneration Report set out from page 41 to 43, be and are hereby Approved.

Resolution 2 is an advisory vote to approve the Directors' remuneration as stated on Note 24(a) to the Financial Statements and to approve the Director's Remuneration Report as prescribed by the Capital Markets Authority Code of Corporate Governance Practices for Issuers of Securities to the Public.

The Remuneration Report is set out from page 41 to 43 of this Annual Report and Financial Statements, which is also available on the Company's website www.eacables.com.

Agenda Item 3 - Dividend

Resolution 3: THAT the Board of Directors recommendation not to pay a dividend for the year ended 31 December 2022 be and is hereby approved.

Shareholders are requested to approve that no dividend will be paid for the year ended 31 December 2022.

Agenda Item 4 - Re-election of Directors

Resolution 4: THAT Mr. Julius W. Mwat, be and is hereby re-elected a Director of the Company in accordance with Article 29 of the Articles of Association.

Mr. Julius W. Mwat retires by rotation and offers himself for re-election in accordance with Article 29 of the Company's Articles of Association.

Resolution 5: THAT Dr. Michael G. Waweru, Mr. Peter T. Kanyago and Mr. Wanjuki Muchemi, be and are hereby re-elected as Directors of the Company in accordance with Article 29 of the Articles of Association.

Pursuant to paragraph 2.5.1 of the Code of Corporate Governance Practices for Issuers of Securities to the Public 2015, Dr. Michael G. Waweru, Mr. Peter T. Kanyago and Mr. Wanjuki Muchemi who are above the age of seventy (70) years, offer themselves for re-election to continue in office as directors of the Company.

In relation to the re-election of all the above named Non-Executive Directors, the Nominations and Governance Committee and the Board have determined that each of them continues to perform effectively and demonstrate commitment to their roles, and that they are all influential individuals in their respective fields and backgrounds. Their balance of knowledge and skills combined with their diversity and business experience, makes a major contribution to the proper functioning of the Board and its Committees. Detailed biographies of the Directors are set out on page 22 to 26 of this Annual Report and Financial Statements.

NOTICE OF THE ANNUAL GENERAL MEETING

Explanatory Notes to Resolutions proposed to be passed at the AGM to be held on 15 June 2023 (continued)

Agenda Item 5 - Directors re-election to Audit, Risk and Compliance Committee

Resolution 6: THAT Mr. Julius Mwatu, Mr. Peter T. Kanyago and Mr. Nganga Njiinu, be and are hereby elected to continue to serve as Members of the Board Audit, Risk and Compliance Committee.

In accordance with the provisions of Section 769 of the Companies Act 2015, the Directors listed in Agenda Item 5 offer themselves for election to continue to serve as Members of the Board Audit, Risk and Compliance Committee.

Agenda Item 6 - Re-Appointment of Auditor and Auditor's Remuneration

Resolution 7: THAT in accordance with Section 721(2) of the Companies Act 2015, RSM Eastern Africa LLP be and are hereby re-appointed as the Auditor of the Company and that the Directors be and are hereby authorised to fix their remuneration.

RSM Eastern African LLP having expressed their willingness to continue in office as the Company's Auditor in accordance with the provisions of Section 721(2), offer themselves for reappointment and it is proposed that the Directors be authorized to fix Auditor's remuneration for the ensuing financial year.

ABOUT US

East Africa Cables Plc (“the Group”) is a premier cable manufacturer in East and Central African region with three manufacturing facilities: two (2) in Nairobi and one (1) in Dar es Salaam, Tanzania. It is headquartered in Nairobi’s Industrial area and is listed in the Nairobi Securities Exchange. The Group has over 58 years’ experience making it the oldest and a pacesetter in cable manufacturing in the region.

The group supports the power eco-system from generation, transmission, distribution and last mile connectivity through provision of quality cables, conductors and related accessories.

OUR PRODUCTS

The group has over the years invested in modern technology which has enabled it to offer safer, greener and high-quality electrical cables and conductors. Its diversified product range include Halogen free fire-retardant cables, Aerial bundled conductors and Cross-linked polyethylene (XLPE) insulated armoured cables in addition to the Polyvinyl Chloride (PVC) insulated cables and bare aluminium conductors. Aerial Bundled Conductors are revolutionary in sustaining our vegetation cover unlike the traditional bare conductors which require clearance of the vegetation along the service lines. The group provides vital support to power utilities, power infrastructure projects, industrial applications and domestic wiring including solar lighting. Other products include House Wiring copper cables, Flexible cables, Power and Control cables, Welding cables, submersible cables, Auto and Battery cables, Aluminium overhead conductors, and Super Enamelled Winding wire. The group adheres strictly to cable making standards to produce high quality cables.

We continue to respond to customer requirements and commit to continuously improve on our product offering, customer experience and be the supplier of choice for all cabling solutions.

Our diversified product range include: -

- a) House wiring cables;
- b) Flexible cables;
- c) Armoured (underground) cables;
- d) Power control cables;
- e) Auto and battery cables;
- f) Halogen free fire-retardant (HFFR) cables;
- g) Submersible cables;
- h) DC cables for data centres and solar lighting;
- i) Welding cables;
- j) Nose-bridge wire;
- k) Aerial bundled conductors (ABC);
- l) Cross-linked polyethylene (XLPE) insulated armoured cables;
- m) Bare / insulated and ACSR aluminium conductors;
- n) Data and telecommunication cables; and
- o) Electrical accessories.

ABOUT US

At the start of the year, the Board and Management refreshed the business strategy to align with customer and changing market environment. The renewed mission, vision and core values are summarised below.

**Connecting lives to
improve quality of life**

Our mission

Electricity is life. In providing quality, safe, and affordable electrical solutions, we endeavour to deliver our products in a manner that will consistently satisfy the needs of our diverse consumers. We will ensure that our daily tasks and operations carry the spirit reflected in our renewed mission statement.

**To be the most innovative
and trusted energy
connectivity solution
provider in the region**

Our vision

The integrity and safety of electrical cables and solutions are paramount to our customers. We continue to innovate and domesticate solutions aimed at addressing market needs, and new applications. We promise to work with our consumers in providing solutions that they require.

**Embracing new digital
technologies and
serving emerging
markets.**

Our core values

- Care in all our interactions.
- Integrity in all our dealings with stakeholders.
- Pioneering and Innovative - Pride in what we do as we continuously pursue operational excellence.
- Freedom with responsibility and accountability in all we do. We will deliver on our promises.

Our values are reflective of our character which makes us relevant and continue to grow, such as embracing new digital technologies and serving emerging markets. We will thus exist by the following core values which will be our uncompromisable rules of the game

**Our customer, my
responsibility**

Rallying call

This is a statement that constantly reminds us of who we are, where we are heading to and how we want to get there. It will ensure that, individually and collectively we must work determinedly to provide the best and fulfilling service to our customers.

CHAIRPERSON'S STATEMENT

Dr. MG Waweru, Chairman

It is with great pleasure that I welcome you all to our 58th Annual General Meeting.

At East African Cables Plc, we uphold our core values, one of which is, Care in all our interactions. This applies to safety in our workplaces, safety of all our products and in our supply chains. We believe that when we care for our people, business partners, stakeholders and environment, we make the world a better place for all of us.

I also take this opportunity to inform you that our refreshed strategy, has started bearing fruits in form of market and customer needs alignment, efficiency improvement and this is evident in the growth recorded in this year's results. We continue to focus on becoming a better organisation to deliver more value to our stakeholders and the world at large.

CHAIRMAN'S STATEMENT

Our business environment

In the year under review, the Kenyan economy, grew by about 5.3% compared to 7.5% in 2021 (*Source: IMF data*). The rebound after Covid-19 crisis created an impetus in the construction sector thereby spurring demand for our products. The regional government's drive for universal electrification access, expanding middle class and need for quality life of the citizenry continues to spur demand in this region.

In our other regional markets, Tanzania economy recorded a slowdown recording a GDP growth of 4.5% in 2022 from 4.9% recorded in 2021 while Uganda's GDP grew by 4.4% compared to 6.7% in 2021. Overall, the East African region is expected grow at an average of above 5%. The entrant of Democratic Republic of Congo into the regional trading block is expected to ease trade and movement of goods into that country creating more opportunities for the business. Political stability in South Sudan and expansion into other markets like Mozambique and Somalia is also expected to improve our performance.

Continued volatility in metal prices and depreciation of KES against the USD has resulted to rise in prices of our products making them less affordable. High product prices also make it easier for sub-standard products to penetrate. On this front, the business continues to partner with government agencies and Kenya Association of Manufacturers to crack down on illicit trade which not only denies the government vital tax revenue, but also endangers the lives of unsuspecting consumers who buy and install these substandard products.

The war in Ukraine and Russia has caused supply chain disruptions considering that Russia produces about 5% of the world supply of copper and aluminium raw materials. The business has put measures in its logistical plans to ensure that supply of key raw materials is not significantly affected.

Going concern

The group and company continue to implement initiatives aimed at funding working capital from internally generated cashflows including collection of long outstanding receivables and sale of non-production assets. In 2022, KShs 110 million was generated from sale of non-production assets and utilised to reduce outstanding bank borrowings. Sale of other non-production assets is expected to generate at least KShs 350 million by end of 2023.

Discussions with financiers in Kenya and Tanzania to provide non-funded working lines are in progress and significant progress has been made in this area. I take this opportunity to appreciate our lenders, suppliers and all other stakeholders for the support that they have accorded this business.

These measures together with what has been achieved to date are detailed in note 2(f), on pages 65 - 66 of these consolidated and separate financial statements.

Though a material uncertainty exists on the going concern of the business, these financial statements have been prepared on a going concern basis. In making this assessment, the Directors have considered a wide range of information relating to present and anticipated future conditions, including future projections of profitability, cashflows expected from sale of non-operating assets and availability of enhanced working capital to meet business requirements.

CHAIRMAN'S STATEMENT

Financial performance

Group revenue grew by 41% supported by increased market drive, new products, new market channels, individual home builders and improvement in Tanzania operations. Our cost containment measures anchored on Total Performance Management (TPM) programme continue to yield fruits improving our EBITDA by 66% to KShs 229 million from KShs 138 million recorded in 2021. However, the Group recorded net loss after tax of KShs 345 million (2021: KShs 300 million) primarily due to reduced tax loss credits on adoption of interest restriction requirements.

We remain focused on growing a strong order pipeline and improving contribution from the exports market. Great strides have been made in this area including product and market channel innovations to drive growth.

Our business is on the right path to recovery, and I am confident that as we implement our refreshed strategy, the business will become profitable and give return to shareholders in the medium term.

Dividend

The business is still in a turn-around phase thus need to conserve the positive cashflows generated internally to fund operations. Consequently, the Board does not recommend payment of a dividend.

2023 outlook

Since 2019, the business has recorded consistent improvement in performance thereby growing revenue organically and reducing losses year on year. The traction gained is a result of a clear focus on growing order pipeline through concerted commercial activities, efficient and lean operations, product innovation and market diversification. At the start of 2022, the Board and Management refreshed the business strategy to align with the customer, market and technology developments and are confident that with the increased demand of our products and the growing construction sector in the region, the business will achieve full profitability in the medium term.

We therefore look forward with optimism to achieving other milestones in our recovery journey.

Appreciation

I take this opportunity to express my sincere appreciation and gratitude to the Board, Management and staff for their commitment and dedication during the year, as well as to our strategic partners who continue to walk this journey with us.

Dr. MG Waweru FCCA, FCPA, CBS.
Chairman

Date: 28 April 2023

BUSINESS REVIEW

Operating environment

The year under review was characterised by rising metal prices as well as weakening of the Kenya Shilling, impacting negatively on the cost of our primary raw materials and profit margins. Supply chain disruptions continue to persist due to Russia/Ukraine conflict on sea freight, requiring more meticulous planning on raw materials to avoid stock-outs. However, our strategies on new market channels, new product offerings and target to individual home builders has sustained our year-on-year growth.

Our major business risks are:

(a) Volatility in prices of raw materials

On average, aluminium raw material prices rose by 9% while copper raw materials decreased by 5% in the year under review. Copper and aluminium raw material LME prices averaged USD 8,815 per MT and USD 2,707 per MT compared to USD 9,315 per MT and USD 2,476 per MT in the previous year. This volatility calls for critical planning and maintaining a delicate balance in inventory holding levels to mitigate risk especially should global metal prices drop suddenly.

(b) Foreign currency risk

Our primary raw materials are imported and therefore dollar denominated, while our large proportion of sales revenue is in Kenya Shilling. Significant fluctuations in the local currency against the United States Dollar poses a risk to our business. In 2022, the KES closed at 123.37 compared to USD 113.14 at the beginning of the year, a depreciation of 9% making our raw materials more expensive. The depreciation of the KES against the USD has continued post year-end raising concerns on increasing costs of materials and subsequently finished goods. The business is striving to grow the export market while at the same time pricing high-value orders in USD to hedge against exchange fluctuations.

(c) Illicit trade

Infiltration of counterfeits and substandard products not only pose a risk to the consumers, but they also erode the value of a successful brand. The Group and Company have partnered with key stakeholders in the government to curtail this trade. We laud the multi-agency team for their support on this front.

Tanzania operations

Our Tanzania subsidiary continues to improve its performance following implementation of various strategic initiatives. In the year under review, its revenue grew by 70% to KShs 394 million from KShs 231 million in 2021. Significant strides have been made to improve the business, including order book generation and sourcing for working capital to sustain the growth in revenue and profitability.

Employee wellness

People are the most important resources we have. Due to lifestyle changes and related illnesses, we have put great emphasis on work life balance to maintain a healthy workforce. Various programs are provided to staff including annual health checks, advice on stress management, cancer, and diabetes awareness, managing hypertension, counselling sessions and financial guidance workshops. We put great emphasis on staff overall wellness to ensure healthy workforce that is effective both at work and home. In the year, various workshops were held and relevant reading materials distributed to staff.

BUSINESS REVIEW

Operational excellence

We remain focused on ensuring timely delivery of our quality products to our customers. The Group has anchored its process improvement on Total Performance Management (TPM) program. TPM is a set of toolkit to put in place and sustain high performance in the work area. It aims, through people, to eliminate loss and waste for performance improvement. Continued and scheduled trainings have resulted to significant improvement in operations through waste and loss eliminations, machine efficiency, safety, team cohesion among others. Efficiency improvement has substantially addressed power losses, scrap and other forms of waste and losses which are a cost and also detrimental to our environment.

Supporting the youth

On job creation, the company operates an internship program which allows the youth to acquire hands-on experience. These programs offer college students practical experience in engineering, procurement, finance, stores management and human resource management preparing them for their future careers and providing them with an opportunity to experiment their ideas for the betterment of the society.

The group and company continue to support the fundi club which comprise of EPRA (Energy and Petroleum Regulatory Authority) accredited electricians. We value the importance of having well rounded partners to not only provide key technical advice to our customers, but also to run profitable businesses.

In line with the Government's quest to create an enabling environment to the youth and special groups including women and people with disability, the company supports these groups to participate in tenders for local utilities and government institutions.

Impacting communities

Despite the challenges facing the business, we have remained a responsible citizen and contributed proportionately to improve the communities we live in. During the year, the company supported By-Grace Children's home of Kayole in provision of foodstuffs and other requirements.

The company has also partnered with Kenya Forestry Research Institute (KEFRI) and Centre for Character Development to make our country greener by donating and planting over 9,000 tree seedlings in our local communities.

Business performance

In the year under review, the Group recorded a 41% increase in revenue supported by new products, new market channels and individual home builders. We continue to focus on product innovation, value-added products, and cost management through implementation of Total Performance Management (TPM) to sustain the growth momentum.

While major improvements in volume and revenue were recorded in the year, the performance was below break-even level. The Group and Company therefore, recorded a loss of KShs 345.27 million and KShs 167.69 million respectively compared to a loss of KShs 299.72 million and KShs 249.70 million recorded in 2021.

Outlook for 2023

Our business remains resilient, and the board and management have no doubt that continued implementation of the turn-around measures will yield positive results. Despite fluctuations in metal prices and depreciation of local currency making electrical cables more expensive, construction sector in the region continue to expand creating more opportunities for our business. Innovation in new products and new market channels have created a new impetus on revenue generation despite low offtake of aluminium products by regional utilities. The business has embarked on revenue generation activities and is confident to sustain the growth trajectory.

SUSTAINABILITY REPORT

Sustainable Development Goals

The group and company, as a responsible corporate has made commitment to implement universal sustainability development goals and to make the world a better place for all. This is done through alignment of strategies and operations with universal principals on human rights, labour, environment, and anti-corruption, and take actions that advance societal development.

East African Cables Plc has committed to 9 of the 17 SDGs. These goals are highlighted below including how the group is working to achieve them.

Goal 1. End poverty in all its forms everywhere

Despite minimal impact to the global problem, the Group has committed to do what it can to help needy communities. To this end, the company adopted By-Grace Children's Home in Kayole, Nairobi where it provides foodstuffs and other basic needs every month. This home does not have any source of income, yet it has taken up a critical role of providing food, shelter, and education to vulnerable children in our community.

Goal 2. End hunger, achieve food security and improved nutrition and promote sustainable agriculture

The company has developed submersible cables for use in irrigation to boost food production and DC cables used in solar lighting. These products go a long way in securing sustainable food production even in arid and semi-arid areas.

SUSTAINABILITY REPORT

Goal 3. Ensure healthy lives and promote well-being for all at all ages

Care in all our interactions is one of our core values. The management has put in place a committee whose mandate is to assess potential incidences related to safety, making recommendations on how such risks can be mitigated and ensuring implementation of those recommendations. We believe that everyone possesses a fundamental human right to safety and it is our duty to respect and foster that right.

Risk-conscious working behaviour is emphasized and recognised. Based on our corporate values, leaders serve as safety role models for our employees. Safety briefings are conducted in all management meetings to make our operations safer and to sustain the culture of taking care of one another. All our employees and visitors to our factories are also equipped with proper protective gear.

The company also takes extreme caution in disposal of waste generated from its production process. Disposal of effluents is undertaken by certified handlers to avoid water and soil pollution which may be hazardous to humans and environment.

Goal 6. Ensure availability and sustainable management of water and sanitation for all

Our manufacturing operations have been improved to reduce the amount of water consumed during production of cables. This water is used in cooling extruded insulation and sheathing material. The company has invested in rainwater harvesting and uses a closed-circuit cooling system with no spillage and minimal evaporation. The company has also installed a purification system for water consumed by staff within the facilities to minimise use of bottled water which are a major source of plastic pollution.

Our measure of water consumption is cubic meters used per tonne of production. We aim to reduce consumption of water as we increase production tonnage. Below is a four-year trend.

Water Consumption Index

SUSTAINABILITY REPORT

Goal 7. Ensure access to affordable, reliable, sustainable, and modern energy for all

The company actively participates in the supply of cables to regional government utilities in support of electrification. Recent innovations by the company include Aerial Bundled Conductors (ABC) which are more efficient in power distribution, Halogen Free Fire-Retardant Cables for use in high density buildings, Solar lighting cables for harnessing renewable energy and Submersible Cables for irrigation and horticulture management.

Our machinery run on national grid-power, and this contributes to a significant portion of our factory overheads. The company has integrated Total Performance Management (TPM) in its operations and strives to continually maintain power consumption within industry average. Below is our trend for the last four years.

Goal 8. Promote sustained, inclusive, and sustainable economic growth, and decent work for all

The company protects labor rights and promotes safe and secure working environments for all workers and complies with governing labour laws. Unionisable workers have freedom of association and collective bargaining through their union. The company ensures personal safety of employees at the workplace as evidenced by zero fatal or serious injuries and only two minor injuries per year over the last three years.

The company maintains active continuous education program for employees, including collaborating with external parties to embrace safety in all areas of our operations. Some of the trainings undertaken in the year include mental health training; occupational health and safety; leadership programs; cyber security awareness programs; sexual harassment awareness; safety, health and environment program; strategy formulation and execution program.

On job creation, the company operates an internship program which allows the youth to acquire hands-on experience in the areas of their profession. These programs aim to offer college students practical experience in engineering, procurement, finance, stores management and human resource management preparing them for their future careers and providing them with an opportunity to experiment their ideas for the betterment of the society.

The group and company continue to support the fundi club which comprise of EPRA (Energy & Petroleum Regulatory Authority) accredited electricians. We value the importance of having well rounded partners to not only provide key technical advice to our customers, but also to run profitable businesses.

In line with the Government's quest to create an enabling environment to the youth and special groups including women and people with disability, the company supports these groups to participate in tenders for local utilities and government institutions.

SUSTAINABILITY REPORT

Goal 9. Build resilient infrastructure, promote inclusive and sustainable industrialization and foster innovation

To promote sustainability in our operations, the group and company embraced Total Performance Management (TPM). TPM is a set of toolkits to put in place and sustain high performance in the work area. It aims, through people, to eliminate loss and waste and to improve performance. Continued and scheduled trainings have resulted to significant improvement in operations through waste and loss eliminations, machine efficiency, safety, team cohesion, among others. Efficiency improvement has significantly addressed power losses, scrap and other wastes which are detrimental to our environment.

These activities have contributed to lower costs of operations like power usage, water consumption (as shown above) among other costs. One such cost is maintenance of our equipment which is measured per tonnage produced.

Goal 12. Ensure sustainable consumption and production patterns

One of the pillars of this goal is sustainable use of natural resources. By substantially reducing waste generation through, reduction, recycling and reuse of raw material and wooden drums the group and company has maintained average scrap produced to global benchmarks. The group and company also commissioned usage of metal drums / bobbins in its production processes to reduce the usage of wooden drums thereby conserving trees and forests.

In partnership with Kenya Forest Service (KEFRI) and Centre for Character Development, the company has donated and helped to plant over 9,000 seedlings in the last two years. It has also started a tree nursery towards expanding this initiative.

The group and company have also been on the forefront in campaign to utility companies to adopt Aerial Bundled Conductors in power distribution. The conductors can be used in forested areas thereby conserving vegetation which would otherwise be cleared to pave way for conventional power lines.

Goal 17. Strengthen the means of implementation and revitalize the Global Partnership for Sustainable Development

East African Cables Plc has a manufacturing plant in one other East African country and works closely with partners to establish presence in the other Eastern African Countries. We share human capital to develop expertise in areas such as production, market development and organizational management.

He has over 18 years' experience in Technical Sales & Service, Marketing and market development, Customer development and Sales management. Prior to joining EACTz, he was MPC Technical Sales Manager, East Africa, for Akzo Nobel / Sadolin Paints, based in Tanzania.

GOVERNANCE AUDITOR'S REPORT

East African Cables Plc (“the Company”), a publicly listed entity on the Nairobi Securities Exchange, is regulated under the Capital Markets Act by the Capital Markets Authority. Recognizing the need for sound Corporate Governance principles in order to succeed in business and win shareholder trust, the Company appointed CPF Financial Services Limited, trading as CPF Consulting (“the Auditor”) to conduct a Governance Audit of the governance structures, procedures and processes of the Company in order to assure the Board that its goals, structure and operations are consistent with the law, the Code of Corporate Governance Practices for Issuers of Securities in Kenya, 2015 (“the Code”), as well as the latest developments in Corporate Governance; and that the Company has adopted best practices in Corporate Governance as a means of ensuring sustainability.

The scope of the Audit is derived from the Code, the Companies Act, 2015 and the Governance Audit Tool developed by the ICS. More specifically, the Audit covers the following broad areas;

1. Leadership and strategic management;
2. Transparency and disclosure;
3. Compliance with laws and regulations;
4. Communication with stakeholders;
5. Board independence and governance;
6. Board systems and procedures;
7. Consistent shareholder and stakeholders' value enhancement; and
8. Corporate social responsibility and investment.

Overview

The Code of Corporate Governance Practices for Issuers of Securities in Kenya, 2015 (“the Code”), sets out the principles and specific recommendations on structures and processes, which companies should adopt in making good Corporate Governance an integral part of their business dealings and culture. The Code further specifically requires listed companies to engage the services of an independent and accredited Governance Auditor to establish the extent to which the Board and the Company have applied Corporate Governance principles.

The Governance Audit should be conducted by a competent and recognized professional accredited for that purpose by the Institute of Certified Secretaries (ICS). The Company, in compliance with the Companies Act, 2015 (“Act”) and Code, retained CPF Financial Services Limited (“the Auditor”) to conduct a Governance Audit of the governance structures, procedures and processes of the Company in order to assure the Board that its goals, structure and operations are consistent with the law, the Code, as well as the latest developments in Corporate Governance; and that the Company has adopted best practices in Corporate Governance as a means of ensuring sustainability. The Code further requires that after undergoing the Governance Audit, the Board should provide an explicit statement on the level of compliance.

Over and above the annual self-assessment that the Company is expected to complete on its level of compliance of the Code, the Corporate Governance Statement as provided in this Annual Report will highlight to the Company's shareholders and various stakeholders, the performance to date.

GOVERNANCE AUDITOR'S REPORT

Statement of the responsibilities of the Directors

The Board of Directors of East African Cables Plc (**“the Company”** or **“EAC”**) recognizes that it is responsible for formulating policies, procedures, standards, and guidelines, which ensure that the Company is governed in line with the best Corporate Governance standards and that all decisions by the Board and Management are made in accordance with prudent Corporate Governance practices. In this regard therefore, the Board is committed to the highest standards of Corporate Governance and strives to ensure that not only is it fully aware of the legal and regulatory requirements in Corporate Governance, but that it has adopted global best practice. Recognizing the role of Management, the Board also ensures that Management is fully aware of Corporate Governance requirements and that the same are implemented in all spheres of the business.

Being fully aware of its fiduciary duties under the Act, the Board has taken steps to ensure that all Directors promote the success of the Company, that they act in good faith, at all times exercise reasonable care, skill, and diligence, while ensuring that conflicts of interest are avoided or where they occur and that there is a process for managing them.

Governance Policies

Besides complying with the Code and the laws, the Company has committed to embed internal rules of engagement to support corporate governance. These internal guidelines are constituted in various policies to which every employee and the Board makes a commitment to comply with.

The Board of East African Cables Plc is committed to implementing and adhering to good corporate governance and practice. The Company has instituted systems to implement good corporate governance and acknowledge that there is still room for improvement to align with the Code. The Directors of EAC have therefore adopted this Governance Audit Report for the year ended 31st December 2022, which discloses the state of Governance within the Company.

Governance Auditor's responsibility

Our responsibility is to express an opinion on the existence and effectiveness of governance instruments, policies, structures, systems, and practices in the organization in accordance with best governance practices as envisaged within the legal and regulatory framework. We conducted our audit in accordance with ICS Governance Audit Standards and Guidelines, which conform to global Standards. These standards require that we plan and perform the Governance Audit to obtain reasonable assurance on the adequacy and effectiveness of the organization's policies, systems, practices, and processes. The Audit involved obtaining audit evidence on a sample basis. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Opinion

In our opinion, the Board has put in place a sound governance structures in the Company which are in compliance with the legal and regulatory framework and in line with good governance practices in the interest of stakeholders.

CS. Happi Kilongosi, ICPSK GA. No 59

For: CPF CONSULTING

Date: 28 April 2023

STATEMENT OF THE LEGAL AND COMPLIANCE AUDITOR

In compliance with the provisions of the Corporate Governance Code for Issuers of Securities to the Public, 2015, an independent legal and compliance audit for the financial year ending 31 December 2022 was undertaken with the objective of enhancing good corporate governance practices within EAC as well as ascertaining the Company's level of compliance with applicable laws, regulations, and standards. The audit was also aimed at identifying the gaps and areas that require review in order to enhance compliance and efficiency and reduce chances of adverse legal action against EAC arising as a consequence of non-compliance or gaps within EAC's operations.

The independent legal and compliance audit was carried out by CPF Financial Services Limited, led by Ms. Cynthia Kyaka, an Advocate of the High Court of Kenya in good standing with the Law Society of Kenya.

The Auditor reviewed and analysed the audit evidence provided by the Company and observed that the audit evidence was sufficient and appropriate to provide a basis for our opinion. We assessed the level of compliance by the Company with the laws applicable to it.

Audit Opinion

This Legal Audit Report is based on information and documents received from the Company and is not meant to be an endorsement of the Company's policies and practices. Based on our findings, it is our opinion, the Company has substantially complied with material laws and regulations governing its operations. The Company also adheres to other regulations promulgated by the Capital Markets Authority and Nairobi Securities Exchange and the ethical standards prescribed in the Company Code of Conduct. Additionally, the Company abides by the tenets of the Constitution of Kenya and all other laws as a law-abiding corporate citizen.

We recommend that the Board of Directors and Management of EAC act on the recommendations set out in the findings in order to avoid or mitigate the legal risks arising out of partial compliance or non-compliance.

Cynthia Kyaka

CORPORATE GOVERNANCE STATEMENT

The Board of East African Cables PLC recognizes the importance of corporate governance and as such it carries out its mandate with honesty, openness and integrity and is committed to applying and enforcing relevant corporate governance principles, policies and practices within the Group. The board is committed to the principles of accountability, compliance with the law and to the provision of relevant and meaningful reporting to all stakeholders.

The Company has endeavoured to adhere to its obligations as a public listed entity in Kenya in compliance with the Capital Markets Authority (CMA) Code of Corporate Governance practices for Issuers of Securities to the Public 2015. The company also adheres to other regulations promulgated by the CMA, Nairobi Securities Exchange, the Constitution of Kenya and all other laws as a law-abiding citizen.

The Role of the Board of Directors

The Board is committed to ensuring that a strong governance framework operates throughout the Company, recognizing that good corporate governance is a vital component to support management in their delivery of the Company's strategic objectives, and to operate a sustainable business for the benefit of all stakeholders. The Board recognizes that the process of identifying, developing, and maintaining high standards of corporate governance suitable for the Company is ongoing and dynamic to reflect changes in the Company and its business, the composition of the Board and developments in corporate governance.

The primary role of the Board is to guide the company towards sustainable long-term success through the exercise of objective and informed judgement in determining the strategy of the company, having the best team in place to execute that strategy, monitoring business performance and maintaining an effective framework of controls to mitigate risks facing the business.

The Board ensures that Management achieves the right balance between promoting long-term growth and delivering short-term objectives. The existing corporate governance framework embeds the right culture, values and behaviours throughout the Group and supports the Board's role in determining strategic objectives and policies.

The role of the Chairman and Chief Executive Officer are separate and established with clear division of responsibilities and delegated authority.

The Board Chairman provides leadership to the Board in ensuring the directors' focus in providing oversight and clear vision to the Group and Company, enhancing shareholder value, ensuring stakeholders engagement, ensuring effective operations of the Board, establishing the Board agenda for Board meetings, and making certain that the Board has all the necessary information for effective decision making. The Board Chairman is also charged with the responsibility of ensuring that the Board is well established in line with the pre-requisite skills, knowledge, and experience. Acting as a spokesman, the Board Chairman communicates and consults with shareholders and relevant stakeholders on significant issues, as appropriate. It is the role of the Board Chairman to ensure effectiveness and development of the Board and individual directors to enable them to discharge their duties effectively.

The Chief Executive Officer ("CEO") is responsible for the day-to-day management of the business of the Company and to oversee the implementation of strategy and policies approved by the Board and serving as the official spokesperson for the Company. He/she is charged with the responsibility of preparing and monitoring business plans, directing and controlling the work and resources of the Group and Company, ensuring recruitment and retention of the required numbers and types of well-motivated, trained and developed staff to ensure the Group and Company meets its vision, mission and objectives.

He/she also provides coherent leadership of the Company, including representing the Company to customers, suppliers, governments, shareholders, financial institutions, employees, the media, the community and the public and enhances the Company's reputation among many other roles which are well captured in his Job Description.

CORPORATE GOVERNANCE STATEMENT

The Role of the Board of Directors (continued)

The Company Secretary is a member in good standing with the Institute of Certified Secretaries (ICS). The Company Secretary provides a central source of guidance and advice to the Board on matters of governance, statutory compliance, and compliance with the regulators; Providing the Board and the Directors individually with guidance on how their responsibilities should be discharged in the best interests of the Company; Facilitating the induction training of new Directors and assisting with the Directors' professional development as required. This includes identifying and facilitating continuous Board education among other roles as provided in the Job Description. The Secretary is also charged with the responsibility of co-ordinating all Board and Board Committee meetings, ensuring that they are properly organized and conducted and implemented in compliance with the Company's Memorandum and Articles of Association and its statutory obligations.

The Role of Non-Executive Directors

The Board had seven (7) Non-Executive Directors as at 31 December 2022 and as at the date of this Annual Report. The Non-Executive Directors come from broad industry and professional backgrounds, with varied experience and expertise aligned to the needs of the business. The Non-Executive Directors help develop strategy and are responsible for ensuring that the business strategies proposed are fully discussed and critically reviewed. This enables the Directors to promote the success of the Company for the benefit of its shareholders, with consideration of, among other matters, the interests of employees, the fostering of business relationships with customers, suppliers, and other stakeholders. The Non-Executive Directors oversee the operational performance of the business, scrutinize performance of Management and the Company, bring an external perspective to the Board, monitor reporting of performance and should be available to meet with major stakeholders as appropriate.

Board Composition

The Board is comprised of seven (7) Non-Executive Directors including the Chairman, and one (1) Executive Director. Out of the seven Non-Executive Directors, three are independent. The directors' biographies appear on pages 22 to 24. All non-executive directors are independent of management and have diverse skills, experience, and competencies appropriate for effective management of the company's business.

The Non-Executive Directors are subject to periodic re-appointment in accordance with company's Articles of Association which requires that one third of the longest serving directors (since their last election) retire by rotation every year and if eligible their names are submitted for re-election at the Annual General Meeting.

An age limit of seventy (70) years is recommended for directors serving in the Board. However, the Board can recommend for re-election, a director who is above this age based on his/her expertise and competencies. Such a director is required to retire at every Annual General Meeting for re-election.

The Board is responsible for recommending Non-Executive Directors for election by shareholders at the Annual General Meeting. Nominated directors undergo a formal screening process conducted by the Governance and Nominations Committee of the Board before they are formally appointed. Between Annual General Meetings, the Board may appoint directors to serve until the next AGM. Any such appointment of Non-Executive Directors must be ratified by the shareholders at the next AGM following their appointment.

Each Non-Executive Director serves the Board for a term of three years which is renewable. In accordance with the company's Articles of Association, non-executive directors are subject to periodic re-appointment. However, one-third of the Non-Executive Directors are required to resign at each AGM and may offer themselves for re-appointment to continue serving the Board.

No director is entitled to any compensation upon the termination or end of their tenure as a member of the board.

CORPORATE GOVERNANCE STATEMENT

Board Composition (Continued)

The composition of the Board is provided in the table below:

Board Member	Age	Status	Date of Appointment	Date of retirement
Michael G. Waweru	72	NED	6th Aug 2012	To retire by rotation - Reappointment by a special notice in 2023 AGM (Over 70 yrs.)
Peter Kanyago	75	NED	12th Mar 2004	To retire by rotation - Reappointment by a special notice in 2023 AGM (Over 70 yrs.)
TransCentury PLC represented by Nganga Njiinu	45	NED	12th Mar 2004	To retire by rotation in 2024 AGM

Carole Kariuki	48	INED	15th Mar 2019	To retire by rotation in 2025 AGM

*NED: Non-Executive Director

*INED: Independent, Non-Executive Director

The Governance and Nominations Committee of the Board is responsible for developing and administering the Non-Executive Directors' policy.

Board Operations

The Board meets at least four times a year and the meetings are structured in a way that allows for open discussions. Comprehensive Board papers are prepared and circulated to all Directors for all substantive agenda items prior to the meeting allowing time for the Directors to undertake an appropriate review of the Board papers to facilitate effective discussions at the meetings. The submissions and notification period may be waived when urgent and critical matters arise. The Management Team may be invited to attend the Board and/or Committee meetings if deemed necessary and as appropriate, to make presentations on their areas of responsibility to give the Directors greater insights into their business areas.

The board is solely responsible for its agenda. However, it is the responsibility of the Chairman and the Company Secretary, working closely with the Chief Executive Officer, to come up with the annual Board work plan and an agenda for the board meetings.

Except for the direction and guidance on general policy, the board has delegated authority for conduct of day-to-day business to the Managing Director / Chief Executive Officer. The Board nonetheless retains responsibility in maintaining the company's overall internal control on financial, operational and compliance issues.

The senior leadership team members may be invited to attend the board meetings if deemed necessary. Where directors are unable to attend a meeting, they are advised on the matters to be discussed and given an opportunity to make their views known to the Chairman prior to the meeting.

Directors are also invited to attend the senior leadership's strategic, and operations review meetings to gain further insights into different aspects of the business.

CORPORATE GOVERNANCE STATEMENT

A summary of the board meetings and attendance is shown below:

Member	Designation	Attendance
MG Waweru	Chairman	5/5
PT Kanyago	Member	4/5
D Awori	Member	4/5
C Kariuki	Member	5/5
J Mwatu	Member	5/5
Transcentury PLC (Represented by N Njiinu)	Member	5/5
Cable Holdings (K) Limited (Represented by W. Muchemi)	Member	5/5
P Muigai	Chief Executive Officer	5/5
V Ndunge	Company Secretary	5/5

Board Effectiveness

The effectiveness of the Board in its oversight and leadership role is enhanced by a robust support system. This is facilitated through the following:

- **Board Diversity:** The Board recognizes and embraces the benefits of diversity and views increasing diversity as an essential element in maintaining a competitive advantage. Diversity brings different perspectives into Board debates and offers better anticipation of the risks that are inherent in the business and the opportunities that the business pursues. The Non-Executive Directors come from broad industry and professional backgrounds, with varied experience and expertise aligned to the needs of the business.
- **Management of Conflict of Interest:** Declaration of conflicts of interest is also a standard agenda item which is addressed at the onset of each Board and Committee meeting.
- **Director Induction:** As part of the induction training, detailed presentations by management are factored in, so that the Directors gain a good sense of the Company's operations and central functions. The induction process of a new Director is initiated by the Chairman of the Board and is progressed by the Chief Executive Officer, members of the Senior Leadership Team and the Company Secretary.
- **Training and Development:** Board members undergo regular training and education to enable them to fulfil their responsibilities.
- **Access to Independent Advice:** The Board recognizes that there may be occasions when one or more Directors consider it necessary to take independent advice on various matters, at the Company's expense. This is provided for in the Board Charter and the Terms of Reference of each Committee.
- **Evaluation:** In line with the provisions of the Code of Corporate Governance Practices for Issuers of Securities to the Public 2015, the Board evaluates its performance as an entity, its committees, the chairman, the Chief Executive Officer, the Company Secretary, and each individual director.
- **Governance Audit:** In compliance with the CMA Code of Corporate Governance Practices for Issuers of Securities to the Public, 2015, the Board appointed CPF Consulting to conduct the Company's Governance Audit. The Governance Audit Report was adopted by the Board of Directors on 28th April 2023. In the opinion of the Governance Auditor, the Board has put in place a governance framework that is broadly in compliance with the legal and regulatory corporate governance requirements. The Company was issued with an unqualified opinion.

CORPORATE GOVERNANCE STATEMENT

Board Effectiveness (continued)

- **Legal and Compliance Audit:** In compliance with the CMA Code of Corporate Governance Practices for Issuers of Securities to the Public, 2015, the Board appointed CPF Consulting to conduct an external Legal and Compliance Audit for the year ended 31 December 2022 with the objective of ascertaining the level of adherence to applicable laws, regulations, and standards in order to deliver long-term value to stakeholders. The findings from the audit confirmed that the Company was generally in compliance with applicable laws and regulations. Implementation of the recommendations from the external Legal and Compliance Audit conducted in 2021 is ongoing.

Board Charter

The Board Charter is critical to the company's governance framework, and offers guidance on matters including but not limited to the following:

- The separation of the roles, functions, responsibilities and powers of the board and its individual members;
- Powers delegated to the board committees;
- Matters reserved for final decision-making and approval by the board;
- Policies and practices of the board on matters of corporate governance, directors' declarations, and conflict of interest, conduct of board and board committee meetings; and
- Nomination, appointment, induction, ongoing training and performance evaluation of the board and its committees.

The Board charter can be viewed on or downloaded from the company's website www.eacables.co.ke

Board remuneration

The Board has delegated responsibility for the consideration and approval of the remuneration arrangements of the Chairman and Directors to the Governance and Nominations Committee. Non-executive directors are paid a sitting allowance for every meeting attended in addition to a quarterly retainer fee.

Details of the fees paid to directors in the financial year under review are set out in the directors' remuneration report on page 41-43.

Communication with shareholders

The Board is committed to ensuring that shareholders, regulators, and the financial markets are provided with full and timely information about the company performance. This is achieved through:

- Interim and annual results publications of the company's financial performance in the daily newspapers.
- The company holds Annual General Meeting to discuss full year performance with shareholders. Copies of the annual reports are made available to shareholders at least 21 days before the date of the AGM. The AGM provides a useful opportunity to the board and management to engage with shareholders on key issues facing the company.
- Interactive website containing all new and relevant information relating to the company.

In this regard, the company complies with the obligations contained in the Nairobi Securities Exchange's Listing Rules, the Capital Markets Authority Act and the Kenyan Companies Act.

CORPORATE GOVERNANCE STATEMENT

Directors' loans

There were no loans made to the directors at any time during the year by virtue of their position in the group and company.

Risk management and controls

The board recognises that risk management is an integral part of creating value. The board has put in place processes for identifying, assessing, and proactively managing risks to ensure that the Group's business objectives are achieved. The group and company have a fully-fledged Internal Audit function led by the parent company, Transcentury PLC. The function reports to the Audit, Risk and Compliance Committee of the Board.

The board recognizes that managing risk to ensure optimal mix between risk and return is an integral part of achieving corporate goals. It is responsible for determining the nature and extent of the significant risks that the Group is willing to take to achieve its strategic objectives. It is also responsible for maintaining sound risk management and internal control systems. With the support of the Audit, Risk and Compliance Committee, the board has put in place processes for identifying, assessing, managing, and monitoring risks to ensure that the risk of failure to achieve business objectives is mitigated. The group and company have defined procedures and financial controls to ensure the reporting of complete and accurate accounting information. These include systems for obtaining authority for major transactions and for ensuring compliance with the laws and regulations that have significant financial implications. Procedures are also in place to ensure that assets are subject to proper physical controls and that the organization remains structured to ensure appropriate segregation of duties. These processes are reviewed by the Internal Auditor who reports directly to the Audit, Risk and Compliance Committee of the Board.

A comprehensive management accounting system is also in place providing financial and operational performance measurement indicators. Regular senior management meetings are held to monitor performance and to agree on measures for improvement.

Financial and Business reporting

The group and company continue to adopt the presentation and disclosure requirements of the International Financial Reporting Standards (IFRSs), The Kenya Companies Act, 2015 and other regulatory requirements. Changes and developments in the standards and other regulations within the financial period under review have been complied with.

The board confirms that the financial statements are prepared on a going concern basis and is satisfied that the group and company have adequate resources to continue in business for the foreseeable future.

In making this assessment, the directors consider a wide range of information relating to present and anticipated future conditions including future projections of profitability, cash flows, capital and other resources. We draw your attention to note 2(f) on pages 65 to 66 detailing measures undertaken by the board and management to turnaround the business back to profitability.

CORPORATE GOVERNANCE STATEMENT

Board Committees Membership and Meeting Attendance

The Board has five (5) standing committees and each committee has formal and approved terms of reference. The committees are provided with all necessary resources to enable them to undertake their duties effectively.

Audit, Risk and Compliance Committee

The committee is comprised of at least three Independent and Non-Executive Directors. It is chaired by an Independent Non-Executive Director with at least one committee member holding a professional qualification in audit or accounting and in good standing with a relevant professional body.

The committee met four times in the year. Attendance included internal and external auditors, as well as invitees from management. Members of this committee, together with a record of their attendance during the year are set out in the table below.

Name of Director	19.4.2022	22.8.2022	2.11.2022	14.12.2022
Julius Mwatu	✓	✓	✓	✓
Peter Kanyago	✓	✓	✓	✓
Ng'ang'a Njiinu	✓	✓	✓	✓
Kamal Pallan	✗	✓	✓	✓

This committee receives and reviews reports from management, the internal auditors, external auditors, or any independent consultant it may have engaged during the year. It's responsibilities include risk management, internal controls, and regulatory compliance; setting the scope of internal and external audit, monitoring their effectiveness, and ensuring implementation of audit recommendations; ensuring integrity of financial information and communication to shareholders; review of financial statements and recommending their approval to the board of directors; and review of annual budgets.

Governance and Nominations Committee

This committee is mandated to review the balance and effectiveness of the board, remuneration of directors as well as the succession planning of the board members. It also has oversight on the adherence and compliance by the company to its code of ethics and to the principles and requirements of good corporate governance.

It monitors the size and composition of the board and its succession plans; recommends individuals for nominations as members of the board and committees; it proposes remuneration structures of executive and non-executive members of the board; evaluates the effectiveness of the Board, Board committees, and directors; and monitors compliance to code of ethics and regulatory requirements.

This committee consists of five non-executive directors and meets quarterly or as required. Members of the committee, together with a record of their attendance are set out in the table below.

Name of Director	28.3.2022	20.7.2022
Michael G. Waweru	✓	✓
Amb. Denis Awori	✓	✓
Ng'ang'a Njiinu	✓	✓
Wanjuki Muchemi	✓	✓
Carole Kariuki	✓	✓

CORPORATE GOVERNANCE STATEMENT

Human Resource and Remuneration Committee

This committee is charged with the oversight of establishment, maintenance and administration of the Group and Company's compensation programs, including reviewing and approving the Chief Executive Officer's and other management compensation reviews. The committee also advises the Board on the development of and succession of key executives.

This committee consists of four non-executive directors and meets quarterly or as required. Members of the committee, together with a record of their attendance during the year are set out in the table below.

Name of Director	28.3.2022	20.7.2022	26.10.2022
Amb. D. Awori	✓	✓	✓
Wanjuki Muchemi	✓	✓	✓
Ng'ang'a Njiinu	✓	✓	✓
Carole Kariuki	✗	✓	✓

Strategy Committee

This committee consists of all directors and meets quarterly or as required.

The main responsibility of the committee is to chart the strategy of the Group and to oversee implementation of strategic decisions of the board which include product and or geographical diversification, strategic partnerships and review proposals involving capital expenditure.

The Strategy Committee held a 2-day workshop to refresh the Company's 5-year strategy and develop evaluation tools.

Commercial Committee

This committee is mandated to evaluate the Group's route to market, customer service and regional diversification. It also evaluates regional market data and advises the board on the overall market strategy.

The membership of this committee comprises of three non-executive directors and the Managing Director/Chief Executive Officer while all the senior managers are also invited. The committee met twice times in the year.

Name of Director	28.3.2022	20.7.2022
Amb. Denis Awori	✓	✓
Ng'ang'a Njiinu	✓	✓
George Njoroge	✓	✓

Special Committees

The board is authorised by the Company's Articles of Association to form ad hoc or special committees to deal with specific matters for a defined term period. The board retains oversight over such committees.

CORPORATE GOVERNANCE STATEMENT

Employment equity

The Group is committed to creation of an organization that supports equality of all employees and is committed to elimination of any form of discrimination in the workplace. Our practice is to comply with all laws prohibiting discrimination.

Ethics and code of conduct

The directors attach great importance to the need to conduct the business and operations of the company with integrity and in accordance with good corporate governance practices. The company adopts the best principles of good corporate culture that requires the directors and all employees to maintain the highest personal and ethical standards and to act in good faith and in the interest of the company. The company has developed and implemented a code of conduct that sets out guidelines and rules, which are based on good governance principles of:

- Full compliance with the law
- Application of best accounting practices
- Safety of all stakeholders
- Product quality and customer focus
- Care of our environment
- Application of best business practices
- Fair competition

Whistle blowing policy

East African Cables PLC has set high standards for its operations to ensure integrity and quality delivery. Employees are often the first to realize that there may be something seriously wrong within the organization. However, they may not express their concerns because they feel that speaking up would be disloyal to their colleagues or to the company. They may also fear harassment or victimization.

The company has developed a whistle blowing policy to encourage and provides channels for employees to report exceptional incidences without fear of victimization, discrimination, or disadvantage.

Reportable misconducts and potential irregularities under the policy include all forms of financial malpractices, non-compliance with regulations, criminal activities, improper conduct or unethical behaviours, corporate governance breaches, non-disclosure of interests, sexual and physical abuse of staff and other stakeholders among other vices.

The policy available on our website www.eacables.com, provides clear reporting mechanism through telephone and dedicated email address with assurance of anonymity for whistle-blowers. The staff have also been sensitized through training on reportable incidences, how to make the reports and assurance of confidentiality to providers of information. All reported incidences are directed to individual or teams appropriate to handle the matters reported for further investigation and action.

The board has also maintained an open-door policy allowing for easy escalation of issues. Staff members are regularly sensitised on the need to report any suspected unethical business practices.

DIRECTORS REMUNERATION REPORT

FOR THE YEAR ENDED 31 DECEMBER 2022

INFORMATION NOT SUBJECT TO AUDIT

Information not subject to audit comprise the Company's policy on director's remuneration, Contract of service of directors, Statement of voting at general meeting on directors' remuneration and any substantial changes to the director's remuneration during the year.

(a) Non-Executive Directors' remuneration policy

The fees for Non-Executive Directors are set at a level which is considered appropriate to attract individuals with the necessary experience and ability to oversee the business. The amount of fees reflects the attached responsibility and time commitment. Additional fees are paid for further responsibilities such as chairing committees and sitting on appointed board committees. The value of benefits provided is reasonable in the market context and takes into account the individual circumstances and benefits provided in comparable roles for companies within the industry.

(b) Executive Director's remuneration policy

Executive directors are remunerated in accordance with the staff remuneration policy. Their remuneration package comprises of basic pay, pension and other and other benefits designed to recognize the contribution, skills and experience.

The Executive Director is entitled to the following remuneration:

1. Consolidated basic pay

This is the consolidated base salary paid to the Executive Director.

2. Allowances

Allowances paid include a house allowance and a telephone allowance.

3. Bonus

The Executive Director is entitled to performance-based bonus pay. The bonus is paid based on the performance of the business and on the existing bonus policy.

4. Pension contribution

On a monthly basis, the business contributes 10.75% of basic pay towards the pension of the Executive Director.

5. Club membership

The Executive Director is entitled to paid membership to a social or fitness club.

6. Medical insurance cover

As per Group and Company's Human Resources policy, the Executive Director, like other employees, is entitled to medical insurance cover for their individual and family medical requirements covering both out-patients and in-patients.

DIRECTORS REMUNERATION REPORT

FOR THE YEAR ENDED 31 DECEMBER 2022 (CONTINUED)

7. Group life assurance cover

As provided to all employees, the Executive Director is entitled to a death in service benefit. This is payable to beneficiaries of the Executive Director at a maximum of three years' pay.

8. Professional indemnity cover

This is provided in line with best market practice to provide protection for the Executive Director in undertaking their duties in such a capacity.

(c) Substantial changes to director's remuneration

There were no substantial changes relating to the directors' remuneration made during the year (2021 - None).

(d) Statement of voting at general meeting on directors' remuneration

In the last AGM held on 31 May 2022, the shareholders unanimously passed a resolution to approve the directors' remuneration report and the directors' remuneration policy.

INFORMATION SUBJECT TO AUDIT (AUDITABLE PART)

REPORT OF THE DIRECTORS

FOR THE YEAR ENDED 31 DECEMBER 2022 (CONTINUED)

The directors have pleasure in submitting their report together with the audited financial statements for the year ended 31 December 2022, which disclose the state of affairs of the company and the group.

1. Activities

The group and company's principal activities continue to be the manufacture and sale of electrical cables and conductors.

2. Results

The group and company's results (financial performance) for the year are set out on pages 54 and 55 respectively.

3. Dividends

The directors do not recommend the payment of a dividend (2021 – Nil).

4. Directors

The directors who served during the year and up to the date of this report are set out on page 6 and their details disclosed on pages 22 to 26.

5. Business review

The Group's and Company's business review is set out on pages 13 - 14.

6. Relevant audit information

The directors in office at the date of this report confirm that:

- (i) There is no relevant audit information of which the company's auditor is unaware; and
- (ii) Each director has taken all the steps that they ought to have taken as a director so as to be aware of any relevant audit information and to establish that the company's auditor is aware of this information.

7. Employees.

The Group and Company maintained a good relationship with its employees during the year. The average number of staff employed by the Group and Company is as shown below.

Name	Group		Company	
	2022	2021	2022	2021
Management	63	67	47	49
Other Staff	130	134	105	106

REPORT OF THE DIRECTORS

FOR THE YEAR ENDED 31 DECEMBER 2022 (CONTINUED)

8. Auditor

The Company's auditor, RSM Eastern Africa LLP, has indicated willingness to continue in office in accordance with the Kenyan Companies Act, 2015.

9. Going concern

The group and company recorded net losses of KShs 345.27 million and KShs 167.69 million respectively during the year ended 31 December 2022 (2021 net loss – Group KShs 299.72 million, Company – KShs 249.70 million), and as of that date, the Group's current liabilities exceeded its current assets by KShs 1,244.63 million (2021 – KShs 751.68 million).

As disclosed in Note 2(f), the Directors are aware that a material uncertainty exists that may cast significant doubt about the Group's and Company's ability to continue as a going concern, and therefore the Group and/or Company may be unable to realize their assets and discharge their liabilities in the normal course of business. However, the Board and management have put in place initiatives to ensure the Group and Company continue as a going concern for the foreseeable future. Those initiatives are detailed in note 2(f) found on pages 65 and 66.

10. Directors' interests

Directors direct interest in the shares of the Company were as follows:

	2022	2021
Name	No. Of shares held	No. Of shares held
Transcentury Plc*	Nil	Nil
Cable Holdings (K) Limited	173,071,149	173,071,149
M.G. Waweru	762,255	762,255
P. T. Kanyago	53,450	53,450
D. Awori	Nil	Nil
C. Kariuki	Nil	Nil
J Mwatu	Nil	Nil

* Transcentury Plc's interest in the group and company is held through Cable Holdings (K) Limited.

11. Approval of financial statements

The financial statements were approved and authorised for issue at a meeting of the directors held on 28 April 2023.

BY ORDER OF THE BOARD

Virginia Ndunge
Secretary

Date: 28 April 2023

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The Directors are responsible for the preparation and presentation of the consolidated and separate financial statements of East African Cables PLC (Group and Company) set out on pages 54 to 112, which comprise the consolidated and separate statements of financial position as at 31 December 2022, and the consolidated and separate statements of profit or loss and other comprehensive income, consolidated and separate statements of changes in equity and consolidated and separate statements of cash flows for the year then ended, and notes to the consolidated and separate financial statements, including a summary of significant accounting policies and other explanatory information.

The Directors' responsibilities include: determining that the basis of accounting described in Note 2 is an acceptable basis for preparing and presenting the consolidated and separate financial statements in the circumstances, preparation and presentation of the financial statements in accordance with International Financial Reporting Standards and in the manner required by the Kenyan Companies Act, 2015 and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

Under the Kenyan Companies Act, 2015, the Directors are required to prepare financial statements for each financial year which give a true and fair view of the financial position of the group and of the company as at the end of the financial year and of the profit or loss of the group and the company for that year. It also requires the Directors to ensure the company and its subsidiary keep proper accounting records which disclose with reasonable accuracy the financial position and profit or loss of the group and the company.

The Directors accept responsibility for the annual consolidated and separate financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Financial Reporting Standards and in the manner required by the Kenyan Companies Act, 2015. The Directors are of the opinion that the consolidated and separate financial statements give a true and fair view of the financial position of the group and the company and of the group and the company profit or loss.

The Directors further accept responsibility for the maintenance of accounting records which may be relied upon in the preparation of consolidated and separate financial statements, as well as adequate systems of internal financial control.

As discussed at note 2(f) to the financial statement, the Directors have made an assessment of the group's and the company's ability to continue as a going concern and are aware of the existence of a material uncertainty related to events and conditions that may cast significant doubt on the Group and Company's ability to continue as a going concern and have put in place measures disclosed at note 2(f) to ensure the Group and Company continue as a going concern for at least the next twelve months from the date of this statement.

Approval of the consolidated and separate financial statements

The consolidated and separate financial statements, as indicated above, were approved and authorised for issue by the Board of Directors on 28 April 2023.

Dr. MG Waweru
Chairman

P Muigai,
Chief Executive Officer and Managing Director

Date: 28 April 2023

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF EAST AFRICAN CABLES PLC

Opinion

We have audited the consolidated and separate financial statements of East African Cables Plc (the "Company") and its subsidiary (together, the "Group") as set out on pages 54 to 112, which comprise for both the Group and the Company, the statement of financial position as at 31 December 2022, the statement of profit or loss and other comprehensive income, and the statements of changes in equity and cash flows for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Group and of the Company as at 31 December 2022, and of their financial performance and cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs) and the requirements of the Kenyan Companies Act, 2015.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the Group in accordance with the International Ethics Standards Board for Accountants' *International Code of Ethics for Professional Accountants (including International Independence Standards)* (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Kenya, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material uncertainty related to going concern

We draw attention to Note 2(f) in the financial statements, which indicates that during the year ended 31 December 2021, the Group and Company incurred a loss of KShs 345.27 million and KShs 167.69 million respectively during the year ended 31 December 2022 (2021 net loss – Group KShs 299.72 million, Company - KShs 249.70 million), and as of that date, the Group's current liabilities exceeded its current assets by KShs 1,244.63 million (2021 – KShs 751.68 million). As stated in Note 2(f), these events or conditions, along with other matters as set forth in Note 2(f), indicate that a material uncertainty exists that may cast significant doubt on the Group's and Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Key audit matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the *Material Uncertainty Related to Going Concern* section, we have determined the matters described below to be the key audit matters to be communicated in our report.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF EAST AFRICAN CABLES PLC (CONTINUED)

Key audit matters (continued)

Determination of expected credit losses on trade and other receivables	
See Note 3(l)(vi), 6(a), 17 and 27(a) to the consolidated and separate financial statements	
The key audit matter	How the matter was addressed in our audit
The group's and company's trade and other receivables amounted to KShs 419 million and KShs 820 million respectively as at 31 December 2022. Significant judgement is involved in assessing the recoverability of trade and other receivables and in estimating the expected credit losses (ECL) required to be recognised against the gross trade and other receivables. The key areas where we identified greater levels of management judgement and therefore increased audit focus was the determination of historical loss rate and the application of forward-looking information to determine the ECL. We determined this area to be a key audit matter in our audit due to the significant judgments involved in determining ECL.	Our audit procedures in this area included: - Evaluating the group's methodology (provisioning matrix) for measuring ECL against the requirements of IFRS 9 <i>Financial Instruments</i> to determine the appropriateness of the ECL; - Evaluating the mathematical accuracy of the provisioning matrix by agreeing the invoice dates in the aging reports used to develop the matrix to the physical invoice dates, re-aging of the historical sales invoices using the invoice dates and comparing to that used in the provisioning matrix and recalculating the historical loss rates using the receivables aging buckets; - Challenging management's assessment and inclusion of forward-looking information by evaluating the correlation between the forward-looking information and the historical loss rates; and - Evaluating the adequacy of the disclosures made in the financial statements, including disclosures of key assumptions and judgements by reference to IFRS 7 <i>Financial Instruments: Disclosures</i>.
Impairment of the investment in subsidiary in the separate financial statements.	
See Note 3(n) and 15 to the separate financial statements	
The key audit matter	How the matter was addressed in our audit
The company's investment in subsidiary of KShs 115 million is accounted for at cost as at 31 December 2022. Further, the subsidiary owed KShs 460 million as at 31 December 2022. Because of the existence of indicators of impairment of the asset, it was necessary to determine its recoverable amount in order to assess whether there was any impairment. In assessing the asset's recoverable amount, the directors and management, used the discounted cash flow method (DCF method). The discounted cash flow method involves the exercise of significant judgement and use of assumptions regarding future performance and cash flows which are subject to significant estimation uncertainties.	Our audit procedures in this area included: - Involving our valuation specialists in evaluating the valuation techniques and assumptions used by the company; - Challenging the key assumption regarding projected growth rates and future cash flows against historical trends, post-balance sheet performance, industry trends and availability of working capital; - Evaluating the appropriateness of the discount rate used to present value the future cash flows by comparing the discount rate used to the average cost of capital for similar industries; and - Evaluating the appropriateness of the disclosures made in the financial statements, including key assumptions and judgements in accordance with IFRS 13 <i>Fair Value Measurements</i>.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF EAST AFRICAN CABLES PLC (CONTINUED)

Report on the audit of the consolidated and separate financial statements (Continued)

Key audit matters (continued)

Impairment of the investment in subsidiary in the separate financial statements – continued	
See Note 3(n) and 15 to the separate financial statements.	
The key audit matter	How the matter was addressed in our audit
We determined the investment in subsidiary to be a key audit matter because of the significance of the amount and the related estimation uncertainty, on the assumptions used by management and directors to determine the recoverable amount, particularly those relating to the cash flow projections, growth rates, terminal values and discount rates used in the valuation model.	
Impairment of the plant and machinery	
See Note 3(n) and 11 to the financial statements	
The key audit matter	How the matter was addressed in our audit
The group's and company's plant and machinery of KShs 1,062 million and KShs 773 million respectively as at 31 December 2022 is accounted for at fair value. Because of the existence of indicators of impairment of the assets, it was necessary to determine its recoverable amount in order to assess whether there was any impairment. In assessing the assets recoverable amount, the directors and management, used the discounted cash flow method (DCF method). The discounted cash flow method involves the exercise of significant judgement and use of assumptions regarding future performance and cash flows, which are subject to significant estimation uncertainties. We determined the plant and machinery to be a key audit matter because of the significance of the amount and the related estimation uncertainty, on the assumptions used by management and directors to determine the recoverable amount, particularly those relating to the cash flow projections, growth rates, terminal values and discount rates used in the valuation model.	Our audit procedures in this area included: - Involving our valuation specialists in evaluating the valuation techniques and assumptions used by the company and its subsidiary; - Challenging the key assumption regarding projected growth rate and future cash flows against historical trends, post-balance sheet performance, industry trends and availability of working capital; - Evaluating the appropriateness of the discount rate used to present value the future cash flows by comparing the discount rate used to the average cost of capital for similar industries; and - Evaluating the appropriateness of the disclosures made in the financial statements, including key assumptions and judgements in accordance with IFRS 13 <i>Fair Value Measurements</i>.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF EAST AFRICAN CABLES PLC (CONTINUED)

Other information

The Directors are responsible for the other information. The other information comprises the information included in the Annual Report but does not include the financial statements and our auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon, other than that prescribed by the Companies Act, 2015, as set out below.

In connection with our audit of the financial statements, our responsibility is to read the other information, and in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Directors for the financial statements

The Directors are responsible for the preparation of financial statements that give a true and fair view in accordance with IFRSs and the requirements of the Kenyan Companies Act, 2015, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Group or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF EAST AFRICAN CABLES PLC (CONTINUED)

Responsibilities of Directors for the consolidated and separate financial statements

- Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Group's consolidated financial statements. We are responsible for the direction, supervision and performance of the Group audit. We remain solely responsible for our audit opinion.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

As required by the Kenyan Companies Act, 2015 we report to you, based on our audit, that in our opinion:

- The information given in the Report of the Directors on page 45 to 46 is consistent with the financial statements; and
- The auditable part of the Directors' Remuneration Report on page 41 to 43 has been prepared in accordance with the requirements of the Kenyan Companies Act, 2015;

The engagement partner responsible for the audit resulting in this independent auditor's report is CPA Elvis Ogeto - Practicing Number 2303

NOTES TO THE CONSOLIDATED AND SEPARATE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022

1. REPORTING ENTITY

East African Cables Plc (“the Company”) is a public limited liability company incorporated in Kenya under the Kenyan Companies Act, 2015 and is domiciled in Kenya. The consolidated financial statements as at and for the year ended 31 December 2022 comprise the company, East African Cables Plc and its subsidiary East African Cables (Tz) Ltd (together referred to as the “Group”). The Group is primarily involved in the manufacture and sale of electrical cables and conductors.

The address of its registered office and principal place of business is stated on page 6.

Where reference is made in the accounting policies to Group or Company it should be interpreted as being applicable to the consolidated or separate financial statements as the context requires. The consolidated and separate financial statements are hereinafter referred to as “the financial statements”.

2. BASIS OF PREPARATION

(a) Statement of compliance

The consolidated and separate financial statements (hereafter referred to as financial statements) have been prepared in accordance with International Financial Reporting Standards (IFRSs) and the Kenyan Companies Act, 2015.

For Kenyan Companies Act, 2015 reporting purposes, the balance sheet is represented by the statement of financial position and the profit and loss account by the statement of profit or loss and other comprehensive income.

(b) Basis of measurement

The consolidated and separate financial statements have been prepared on the historical cost basis as modified by revaluation of certain items of property, plant and equipment, prepaid operating lease rentals and investment property which is measured at fair value and liability for staff gratuity subjected to actuarial valuation.

Details of the significant accounting policies are included in Note 3.

(c) Functional and presentation currency

These consolidated and separate financial statements are presented in Kenya Shillings (KShs), which is the Company’s functional and presentation currency. All financial information presented has been rounded to the nearest thousand (“KShs ‘000”) except where otherwise indicated.

(d) Use of judgements and estimates

The preparation of financial statements in conformity with IFRSs requires management to make judgement, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. The estimates and assumptions are based on the Directors’ best knowledge of current events, actions, historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about the carrying values of assets and liabilities are not readily apparent from other sources. Actual results may differ from these estimates.

NOTES TO THE CONSOLIDATED AND SEPARATE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022 (CONTINUED)

2. BASIS OF PREPARATION (CONTINUED)

(d) Use of judgements and estimates (continued)

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

Specifically, critical judgements, assumptions and estimation uncertainties are required in the following:

(i) Consolidation

Judgement is required on whether the group has de-facto control over an investee (Note 3(b)(i)). Judgement is also made during acquisition of subsidiaries where fair value is measured on a provisional basis.

(ii) Lease classification

Judgement is required in assessing whether a contract contains a lease on the basis of whether the customer has the right to control the use of an identified asset for a period of time. Note 3(f)).

(iii) Employee benefits

Certain assumptions are made when estimating employee benefit liabilities under gratuity schemes (Note 3(h)).

(iv) Taxation

Judgement is required in determining the provision for income taxes due to the complexity of legislation. The Group and Company recognise liabilities for anticipated tax audit issues based on estimates of whether additional taxes will be due. Where the final tax outcome of these matters is different from the amounts that were initially recorded, such differences will impact the income tax and deferred tax provisions in the period in which such determination is made.

The Group recognises the net future tax benefit that relates to deferred income tax assets to the extent that it is probable that the deductible temporary differences will reverse in the foreseeable future. Assessing the recoverability of deferred income tax assets requires the Group to make significant estimates related to expectations of future taxable income. Estimates of future taxable income are based on forecast cash flows from operations and the application of existing tax laws. To the extent that future cash flows and taxable income differ significantly from estimates, the ability of the Group to realise the net deferred tax assets recorded at the reporting date could be impacted.

Recognition of deferred tax assets requires assessment of future taxable profits against which carry forward tax losses can be used. It also requires assessment to determine whether there are sufficient taxable temporal differences against which tax losses can be utilised (Note 3(i)).

NOTES TO THE CONSOLIDATED AND SEPARATE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022 (CONTINUED)

2. BASIS OF PREPARATION (CONTINUED)

(d) Use of judgements and estimates (continued)

(v) Impairment tests

Key assumptions underlying recoverable amounts are made in determining carrying amounts of goodwill, receivables, investments in subsidiaries, tangible and intangible assets, investment properties etc, especially where indicators of impairment exist (Note 3 (l) and 3(n)).

The Group and Company always recognises lifetime ECL for trade receivables. The expected credit losses for these assets are estimated using a provision matrix based on the Group and Company's historical credit loss experience, adjusted for factors that are specific to the debtors, general economic conditions and an assessment of both the current as well as the forecast direction of conditions at the reporting date, including the time value of money where appropriate.

(e) Measurement of fair values

A number of the Group's and Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

The Group and Company has an established framework with respect to the measurement of fair values. This includes a valuation team that has overall responsibility for overseeing all significant fair value measurements, including Level 3 fair values, and reports directly to the Group finance manager.

The valuation team regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the valuation team assesses the evidence obtained from the third parties to support the conclusion that such valuations met the requirements of IFRSs, including the level in the fair value hierarchy in which such valuations should be classified.

Significant valuation issues are reported to the Group's Audit Committee.

When measuring the fair value of an asset or a liability, the Group uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Group recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

NOTES TO THE CONSOLIDATED AND SEPARATE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022 (CONTINUED)

2. BASIS OF PREPARATION (CONTINUED)

(e) Measurement of fair values (continued)

Further information about the assumptions made in measuring fair values is included in the following notes:

- Note 11 – Property, plant and equipment
- Note 12 – Right-of-use assets
- Note 13 – Investment properties
- Note 14 – Asset held for sale
- Note 27 – Financial instruments

(f) Going concern

The group and company recorded net losses of KShs 345.27 million and KShs 167.69 million respectively during the year ended 31 December 2022 (2021 net loss – Group KShs 299.72 million, Company - KShs 249.70 million), and as of that date, the Group's current liabilities exceeded its current assets by KShs 1,244.63 million (2021 – KShs 751.68 million).

As at 31 December 2022, the group and company had overdue loans amounting to KShs 649.73 million and KShs 401.41 million respectively. These loans are due and payable on demand and in the event that the lenders recall the loans due, the group and company do not have the ability to settle these loans in the normal course of business.

The above events or conditions indicate that a material uncertainty exists that may cast significant doubt about the Group's and Company's ability to continue as a going concern, and therefore the Group and/or Company may be unable to realize their assets and discharge their liabilities in the normal course of business. Consequently, the Group and Company has put in place the following initiatives to ensure that they meet their obligations as and when they fall due.

Initiatives planned to improve profitability and bridge the funding gap

(i) *Enhancement of working capital facility*

The Group and Company is in discussion with existing and potential financiers for trade facility enhancements. These discussions are at advanced stages and are expected to be concluded within the year. The facilities once available, shall be utilised in issuance of letters of credit to suppliers of primary raw materials. This is expected to plug the working capital which has stifled operations in the preceding years.

(ii) *Debt re-organisation.*

To address the issue of overdue loans, the Group and Company has commenced engagements with the lenders to restructure the debt. Business performance trajectory and projections indicate that the business will break-even and generate adequate cashflows to meet maturing debt service obligations in the medium term. To allow the business time to recover, there is need for debt re-organisation to enable sustainable market development activities, revenue growth and profitability.

NOTES TO THE CONSOLIDATED AND SEPARATE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022 (CONTINUED)

2. BASIS OF PREPARATION (CONTINUED)

(f) Going concern (continued)

Initiatives planned to improve profitability and bridge the funding gap - continued

(i) Enhanced partnership with key raw material suppliers:

The business continues to maintain conducive trading terms from its key suppliers of raw materials. The Group and Company has negotiated open trading terms for supplies of main raw materials including aluminium, PVC and Steel wire. This initiative has enabled the business to maintain continued flow of raw materials to serve its customer base even with constrained working capital availability.

(ii) Collection of long outstanding receivables

The Group and Company continues its campaign on collection of long outstanding receivables to improve liquidity in the business. In 2021 a total KShs 158 million was collected and used to fund operations. There is a firm expectation that another KShs 180m will be collected in the foreseeable future from debt recovery measures which are nearing fruition.

(iii) Disposal of non-operating assets

The Group and Company are in the process of disposing some of their non-operating assets to generate operating cashflows. The table below summarises the assets and status of each.

Asset	Expected proceeds (KShs 'm)	Timing	Status
LR No. 3734/126 Nairobi, Kenya	110	April 2022	Completed.
Mapre Extruder Machine	100	31.12.2023	Seeking offers.
LR No. 209/6982/2 in Industrial Area Nairobi	250	31.12.2023	Discussions with potential buyers.
Totals	460		

The directors having considered the initiatives above and information at hand, have concluded that the going concern assumption is appropriate in the preparation of these consolidated and separate financial statements. However, if the group and company are unable to obtain sufficient funds through the ongoing fund-raising process (the rights issue at the ultimate holding company, TransCentury Plc) and the planned disposal of assets described above within the next twelve months from the date of approval of these financial statements, a material uncertainty exists which may cast a significant doubt about the group and company's ability to continue as a going concern and, therefore the group and company may be unable to realise their assets and discharge their obligations in the normal course of business.

NOTES TO THE CONSOLIDATED AND SEPARATE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022 (CONTINUED)

3. MATERIAL ACCOUNTING POLICIES

The accounting policies set out below have been applied consistently to all periods presented in these financial statements:

(a) Revenue recognition

(i) Sale of goods

Revenue is measured at the fair value of the consideration received or receivable for the sale of goods and services in the ordinary course of the Group and Company's activities. Net revenue is stated net of value-added tax (VAT), returns, rebates and discounts and after eliminating sales within the Group.

Revenue is measured based on the consideration to which the Group and Company expects to be entitled in a contract with a customer. The Group recognises revenue when it transfers control of a product or service to a customer.

The Group will recognise revenue in accordance with that core principle by applying the following five steps:

Step 1: Identify the contract(s) with a customer;

Step 2: Identify the performance obligations in the contract;

Step 3: Determine the transaction price;

Step 4: Allocate the transaction price to the performance obligations in the contract;

Step 5: Recognise revenue when (or as) the entity satisfies performance obligation.

(ii) Rental income

Rental income on the investment property is recognised in profit or loss on a straight-line basis over the term of the lease. Rental income is presented in other income.

(b) Consolidation principles

(i) Subsidiaries

The consolidated financial statements include the Company (which also includes a dormant branch in Uganda) and its subsidiaries, East African Cables (Tanzania) Limited in which the Group holds 51% of the voting rights. (refer to Note 15).

Subsidiaries are entities controlled by the Company. The Group controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. The financial statements of subsidiaries are included in the consolidated financial statements from the date that control commences until the date on which control ceases.

In the company financial statements, the investment in subsidiary is carried at cost and assessed for impairment at each reporting date.

Non-controlling interests (NCI) are measured at their proportionate share of the acquiree's identifiable net assets at the acquisition date.

(ii) Transactions eliminated on consolidation

All intra-group balances and any unrealised gains and losses or income and expenses arising from intra-group balances, are eliminated in preparing consolidated financial statements.

NOTES TO THE CONSOLIDATED AND SEPARATE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022 (CONTINUED)

3. MATERIAL ACCOUNTING POLICIES (CONTINUED)

(b) Consolidation principles (continued)

(iii) Business combinations

All business combinations are accounted for by applying the acquisition method. Goodwill represents the difference between the cost of acquisition and the fair value of the net identifiable assets acquired.

A gain arising on a bargain acquisition is recognised directly in profit or loss.

(c) Foreign currencies

(i) Foreign currency transactions

Transactions in foreign currencies during the year are converted into Kenya Shillings at the exchange rate ruling at the date of the transaction. Foreign currency monetary assets and liabilities are translated at the exchange rate ruling at the reporting date. Resulting exchange differences are recognised in profit or loss.

Non-monetary assets and liabilities that are measured based on historical cost denominated in foreign currency are translated at the exchange rate ruling at the date of transaction.

(ii) Foreign operations

The assets and liabilities of foreign operations (which includes subsidiaries and branches), including fair value adjustments arising on consolidation, are translated to Kenya Shillings at foreign exchange rates ruling at the reporting date. The revenues and expenses of foreign operations are translated to Kenya Shillings at rates approximating the foreign exchange rates ruling at the dates of transaction. Foreign exchange differences arising on translation are recognised in other comprehensive income (OCI) and accumulated as a separate component of equity (foreign currency translation reserve) until the disposal of the foreign operation.

(d) Property, plant and equipment

(i) Recognition and measurement

Items of property, plant and equipment (PPE) are measured at cost or at the revalued amount (as appropriate) less accumulated depreciation and impairment losses, if any.

Cost includes expenditures that are directly attributable to the acquisition of the asset. When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. External revaluations for the group's buildings, plant and machinery are obtained after every three years. Surpluses arising from the valuations are recognised in other comprehensive income and accumulated in revaluation reserves in equity.

The gain or loss on disposal of an item of property, plant and equipment is determined by comparing the proceeds from disposal with the carrying amount of the property, plant and equipment and is recognised net within profit or loss and presented within other income/expense. When revalued assets are sold, any related amount included in the revaluation reserve is transferred to retained earnings.

NOTES TO THE CONSOLIDATED AND SEPARATE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022 (CONTINUED)

3. MATERIAL ACCOUNTING POLICIES (CONTINUED)

(d) Property, plant and equipment (continued)

(ii) Subsequent costs

The cost of replacing part of an item of property, plant or equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Group and Company and its cost can be measured reliably. The costs of the day-to-day servicing of property and equipment are recognised in profit or loss as incurred.

(iii) Depreciation

Depreciation is based on the cost of an asset less its residual value. Depreciation is charged on a straight-line basis over the estimated useful lives of the assets. The annual rates of depreciation used are shown on note 11(b).

(iv) Reclassification to investment property

When the use of a property changes from owner-occupied to investment property, the property is reclassified as investment property and re-measured to fair value. Any gain arising on re-measurement is recognised in profit or loss to the extent that it reverses a previous impairment loss on the specific property, with any remaining gain recognised in equity. Any loss is recognised immediately in profit or loss.

(e) Investment properties

Investment properties are properties held either to earn rental income or for capital appreciation or both, but not for sale in the ordinary course of business, use in production or supply of goods and services or for administrative purposes.

Any gain or loss on disposal of investment properties (calculated as the difference between the net proceeds from disposal and the carrying amount of an item) is recognised in profit or loss. When an investment property that was previously classified as property, plant and equipment is sold, any related amount included in the revaluation reserve is transferred to retained earnings.

Investment properties are measured at fair value. External valuations are obtained on such a basis as to ensure that substantially all properties are valued once every three years. In the event of a material change in market conditions between the valuation date and the reporting date an internal valuation is performed, and adjustments made to reflect any material changes in value.

Surpluses and deficits arising from changes in fair value are recognised in profit or loss for the year.

NOTES TO THE CONSOLIDATED AND SEPARATE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022 (CONTINUED)

3. MATERIAL ACCOUNTING POLICIES (CONTINUED)

(f) Leases

Group and Company acting as a lessee

At inception of a contract, the Group and Company assess whether a contract is, or contains a lease. A contract is or contains a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for a consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group and Company uses the definition of a lease in IFRS 16.

The Group and Company recognize a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove any improvements made to branches or office premises.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Group and Company's incremental borrowing rate is used. Generally, the Group and Company use their incremental borrowing rate as the discount rate.

The Group and Company determine their incremental borrowing rate by analysing their bank borrowings and makes certain adjustments to reflect the terms of the lease and type of asset leased.

Lease payments included in the measurement of the lease liability comprise the following:

- fixed payments, including in-substance fixed payments.
- variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date.
- amounts expected to be payable under a residual value guarantee; and
- the exercise price under a purchase option that the Group and Company are reasonably certain to exercise, lease payments in an optional renewal period if the Company is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the Group and Company are reasonably certain not to terminate early.

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Group and Company's estimate of the amount expected to be payable under a residual value guarantee, if the Group and Company changes its assessment of whether it will exercise a purchase, extension or termination option or if there is a revised in-substance fixed lease payment.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The Group and Company present right-of-use assets and lease liabilities as separate lines in the statement of financial position.

NOTES TO THE CONSOLIDATED AND SEPARATE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022 (CONTINUED)

3. MATERIAL ACCOUNTING POLICIES (CONTINUED)

(f) Leases (Continued)

Short-term leases and leases of low-value assets

The Group and Company have elected not to recognise right-of-use assets and lease liabilities for leases of low-value assets and short-term leases. The Group and Company recognise the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

(g) Inventories

Work in progress and manufactured finished goods are valued at production cost including direct costs (cost of materials and labour), an appropriate proportion of production overheads and factory depreciation and other costs incurred in bringing the inventories to their present location and condition. The cost of stocks is based on the weighted average principle.

If the purchase or production cost is higher than net realisable value, inventories are written down to net realisable value. Purchase cost relates to the purchase of raw materials. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

(h) Employee benefits

(i) Defined contribution plan

Non-unionisable employees of the Group are eligible for retirement benefits under a defined contribution plan provided through a separate fund arrangement.

Contributions to the defined contribution plan are recognised in profit or loss as incurred. The Group has no further obligation once the contributions have been paid.

(ii) Staff gratuity

The Group provides service gratuity to unionisable staff that retire on attaining the age of 55 years or are declared redundant. These are provided to eligible employees based on each employee's length of service with the Group, as provided for in the collective bargaining agreement. The Group also provides for long service award to staff based on length of service.

The cost of providing service gratuity which is considered as defined benefit plan is determined by a professional actuary using the projected unit credit method.

Re-measurements, comprising of actuarial gains and losses are recognized immediately in the statement of financial position with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. Re-measurements are not reclassified to profit or loss in subsequent periods.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset.

The Group recognises the following changes in the net defined benefit in profit or loss as:

- Service costs comprising of current service costs recognised in profit or loss under cost of sales.
- Net interest expense or income recognised in profit or loss under cost of sales.

Service gratuity is disclosed in Note 20 to the financial statements.

NOTES TO THE CONSOLIDATED AND SEPARATE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022 (CONTINUED)

3. MATERIAL ACCOUNTING POLICIES (CONTINUED)

(h) Employee benefits (continued)

(iii) Leave accrual

Employee entitlements to annual leave are recognized when they are expected to be paid to employees. A provision is made for the estimated liability for annual leave at the reporting date.

The monetary value of the unutilised leave by staff as at year end is carried in the accruals as a payable and the movement in the year is recognised in profit or loss.

(iv) Termination benefits

Termination benefits are recognised as an expense when the Group is demonstrably committed, without realistic possibility of withdrawal, to a formal detailed plan to either terminate employment before the normal retirement date, or to provide termination benefits as a result of an offer made to encourage voluntary redundancy. Termination benefits for voluntary redundancies are recognised as an expense if the Group has made an offer encouraging voluntary redundancy, it is probable that the offer will be accepted, and the number of acceptances can be estimated reliably.

(i) Taxation

Income tax comprises current tax and change in deferred tax. Income tax expense is recognised in profit or loss except to the extent that it relates to items recognised directly in other comprehensive income or directly in equity, in which case it is recognised in other comprehensive income or in equity respectively.

Current tax is provided on the results in the year as shown in the financial statements adjusted in accordance with tax legislation.

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is not recognised for the following temporary differences: the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss, and differences relating to investments in subsidiaries and jointly controlled entities to the extent that it is probable that they will not reverse in the foreseeable future. In addition, deferred tax is not recognised for taxable temporary differences arising on the initial recognition of goodwill.

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously. A deferred tax asset is recognised for unused tax losses, tax credits and deductible temporary differences. In the case where the Group and Company have a history of recent losses recognition of a deferred tax asset arising from unused tax losses will be only to the extent that there are sufficient taxable temporary difference or there is convincing other evidence that sufficient taxable profit will be available. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

NOTES TO THE CONSOLIDATED AND SEPARATE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022 (CONTINUED)

3. MATERIAL ACCOUNTING POLICIES (CONTINUED)

(j) Related party transactions

The group discloses the nature, volume and terms and conditions of amounts outstanding at the end of each financial year from transactions with related parties, which include transactions with the directors, executive officers and group or related companies.

(k) Dividends

Dividends are recognised as a liability in the period in which they are declared. Withholding tax is withheld for all cases where the percentage of ownership is less than 12.5% at the prevailing rates.

Proposed dividends are disclosed on Note 23.

(l) Financial instruments

Financial instruments include balances with banks, trade and other receivables, balances due from and to related parties, trade and other payables and borrowings.

(i) Recognition and initial measurement

Trade receivables and debt securities issued are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Group and Company becomes a party to the contractual provisions of the instrument.

A financial asset (unless it is a trade receivable without a significant financing component) or financial liability is initially measured at fair value plus, for an item not at fair value through profit or loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue. A trade receivable without a significant financing component is initially measured at the transaction price.

(ii) Classification and subsequent measurement

Financial assets

A financial instrument is a contract that gives rise to both a financial asset for one enterprise and a financial liability of another enterprise.

On initial recognition, a financial asset is classified as measured at: amortised cost; fair value through other comprehensive income (FVOCI) – debt investment; FVOCI – equity investment; or FVTPL.

Financial assets are not reclassified subsequent to their initial recognition unless the Group and Company changes its business model for managing financial assets, in which case all affected financial assets are reclassified on the first day of the first reporting period following the change in the business model.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- it is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

NOTES TO THE CONSOLIDATED AND SEPARATE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022 (CONTINUED)

3. MATERIAL ACCOUNTING POLICIES (CONTINUED)

(I) Financial instruments (continued)

Financial assets – Business model assessment

The Group and Company makes an assessment of the objective of the business model in which a financial asset is held at a portfolio level because this best reflects the way the business is managed, and information is provided to management. The information considered includes:

- the stated policies and objectives for the portfolio and the operation of those policies in practice. These include whether management's strategy focuses on earning contractual interest income, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of any related liabilities or expected cash outflows or realising cash flows through the sale of the assets;
- how the performance of the portfolio is evaluated and reported to the Group and Company's management;
- the risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed;
- how managers of the business are compensated – e.g. whether compensation is based on the fair value of the assets managed or the contractual cash flows collected; and
- the frequency, volume and timing of sales of financial assets in prior periods, the reasons for such sales and expectations about future sales activity.

Transfers of financial assets to third parties in transactions that do not qualify for derecognition are not considered sales for this purpose, consistent with the Group and Company's continuing recognition of the assets.

Financial assets that are held for trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

Financial assets – Assessment whether contractual cash flows are solely payments of principal and interest

For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount

outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Group and Company considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Group and Company considers:

- contingent events that would change the amount or timing of cash flows;
- terms that may adjust the contractual coupon rate, including variable-rate features;
- prepayment and extension features; and
- terms that limit the Group and Company's claim to cash flows from specified assets (e.g. non-recourse features).

NOTES TO THE CONSOLIDATED AND SEPARATE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022 (CONTINUED)

3. MATERIAL ACCOUNTING POLICIES (CONTINUED)

(I) Financial instruments (continued)

A prepayment feature is consistent with the solely payments of principal and interest criterion if the prepayment amount substantially represents unpaid amounts of principal and interest on the principal amount outstanding, which may include reasonable additional compensation for early termination of the contract.

Additionally, for a financial asset acquired at a discount or premium to its contractual at par amount, a feature that permits or requires prepayment at an amount that substantially represents the contractual at par amount plus accrued (but unpaid) contractual interest (which may also include reasonable additional compensation for early termination) is treated as consistent with this criterion if the fair value of the prepayment feature is insignificant at initial recognition.

Financial assets – Subsequent measurement and gains and losses

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss.
Debt Investments at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.
Debt investments at FVOCI	These assets are subsequently measured at fair value. Interest income calculated using the effective interest method, foreign exchange gains and losses and impairment are recognised in profit or loss. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to profit or loss.
Equity investments at FVOCI	These assets are subsequently measured at fair value. Dividends are recognised as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are never reclassified to profit or loss.

Financial liabilities – Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, it is a derivative or it is designated as such on initial recognition.

Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss.

NOTES TO THE CONSOLIDATED AND SEPARATE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022 (CONTINUED)

3. MATERIAL ACCOUNTING POLICIES (CONTINUED)

(I) Financial instruments (continued)

(iii) De-recognition

Financial assets

The Group and Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Group and Company neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset.

The Group and Company enters into transactions whereby it transfers assets recognised in its statement of financial position but retains either all or substantially all of the risks and rewards of the transferred assets. In these cases, the transferred assets are not derecognised.

Financial liabilities

The Group and Company derecognises a financial liability when its contractual obligations are discharged or cancelled or expire. The Group and Company also derecognises a financial liability when its terms are modified and the cash flows of the modified liability are substantially different, in which case a new financial liability based on the modified terms is recognised at fair value.

On derecognition of a financial liability, the difference between the carrying amount extinguished and the consideration paid (including any non-cash assets transferred, or liabilities assumed) is recognised in profit or loss.

(iv) Offsetting of financial assets and liabilities

Financial assets and financial liabilities are offset and the net amount presented in the statement of financial position when, and only when the Group and Company has an enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

(v) Fair value of financial assets and liabilities

Fair value of financial assets and financial liabilities is the price that would be received to sell an asset or paid to transfer a liability respectively in an orderly transaction between market participants at the measurement date.

NOTES TO THE CONSOLIDATED AND SEPARATE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022 (CONTINUED)

3. MATERIAL ACCOUNTING POLICIES (CONTINUED)

(I) Financial instruments (continued)

(vi) Impairment of financial assets

Non-derivative financial assets

Financial instruments and contract assets

The Group and Company recognises loss allowances for Expected Credit Losses (ECLs) on financial assets measured at amortised cost. The Group and Company measures loss allowances at an amount equal to lifetime ECLs, except for bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

Loss allowances for trade receivables and contract assets are always measured at an amount equal to lifetime ECLs.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating ECLs, the Group and Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Group and Company's historical experience and informed credit assessment and including forward-looking information.

The Group and Company assumes that the credit risk on a financial asset has increased significantly if it is more than 90 days past due.

The Group and Company considers a financial asset to be in default when:

- the borrower is unlikely to pay its credit obligations to the Group and Company in full, without recourse by the Group and Company to actions such as realising security (if any is held); or
- the financial asset is more than 365 days past due.

Lifetime ECLs are the ECLs that result from all possible default events over the expected life of a financial instrument.

12-month ECLs are the portion of ECLs that result from default events that are possible within the 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

The maximum period considered when estimating ECLs is the maximum contractual period over which the Group and Company is exposed to credit risk.

Measurement of ECLs

ECLs are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the entity in accordance with the contract and the cash flows that the Group and Company expects to receive).

ECLs are discounted at the effective interest rate of the financial asset.

At each reporting date, the Group and Company assesses whether financial assets carried at amortised cost and debt securities at Fair Value Through Other Comprehensive Income (FVOCI) are credit-impaired.

NOTES TO THE CONSOLIDATED AND SEPARATE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022 (CONTINUED)

3. MATERIAL ACCOUNTING POLICIES (CONTINUED)

(I) Financial instruments (continued)

(vi) *Impairment of financial assets - continued*
Measurement of ECLs - continued

A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred. Evidence that a financial asset is credit-impaired includes the following observable data:

- Significant financial difficulty of the debtor
- A breach of contract
- It is probable that the debtor will enter into bankruptcy
- Presentation of allowance for ECL in the statement of financial position
- Write-off

(vii) *Accounting classifications and fair values for financial assets and liabilities*

The table below sets out the carrying amounts of each class of financial assets and liabilities, and their fair values:

GROUP

Valuation techniques and significant unobservable inputs

Type	Valuation technique	Significant unobservable inputs	Inter-relationship between significant unobservable
Property, plant, and equipment	Items of property, plant and equipment in Kenya and Tanzania, other than motor vehicles, are revalued every 3 to 5 years, at values determined based on a valuation done by Ms Accurate Valuers Limited on 29th March 2022. Accurate Valuers Limited is an accredited independent valuer, and an industry specialist in valuing these types of investment properties. The fair value of the properties has not been determined on transactions observable in the market because of the nature of the property and lack of comparable data. Instead, valuation model in accordance with that recommended by the International Valuation Standard Committee has been applied. The resulting fair value change is dealt with through other comprehensive income.	The factory buildings are in prime locations within the industrial area. Machinery is anchored in the factory buildings and is specialized in cable manufacturing only. Other items of property, plant and equipment like motor vehicles, furniture and fittings is moveable in nature and is used to facilitate manufacture and sale of electrical cables and conductors.	The management adopted the revalued amounts based on expert assessment. Changes in values of items of property, plant and equipment were effected through the revaluation reserve.
Investment Property	This is a residential property situated in Dar-es-salaam Tanzania and is stated at fair value less costs to sell, which has been determined based on a valuation by Ms. Accurate Valuers Limited an accredited independent valuer as at 29th March 2022. The property is occupied and generating rental income.	The property is in a prime area adjacent to the National Referral Hospital	The management adopted the revalued amounts based on expert assessment. Fair value loss was recognized through profit or loss.

(m) Asset fair values (continued)

Valuation techniques and significant unobservable inputs (Continued)

Type	Valuation technique	Significant unobservable inputs	Inter-relationship between significant unobservable
Right of use assets	This relates to leasehold land upon which the manufacturing plants are set up. These assets are revalued every 3 to 5 years, at values, based on valuation done by Ms Accurate Valuers Limited on 29th March 2022. Accurate Valuers Limited is an accredited independent valuer and an industry specialist in valuing these types of properties. The fair value of the leasehold land has been determined based on comparable transaction in the market. Additionally, valuation model in accordance with that recommended by the International Valuation Standard Committee has been applied.	The right-of-use land is located in prime locations within Nairobi's industrial area and Dar es salaam Nyerere road.	The management adopted the revalued amounts based on expert assessment. Changes in values of items of Right of Use assets were effected through the revaluation reserve.

(n) Impairment of non- financial assets

The carrying amounts of the Group's and Company's non-financial assets, other than investment properties, inventories and deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. An impairment loss is recognised if the carrying amount of an asset or its cash-generating unit exceeds its recoverable amount. A cash-generating unit is the smallest identifiable asset group that generates cash flows that largely are independent from other assets and groups. Impairment losses are recognised in profit or loss.

Impairment losses recognised in respect of cash-generating units are allocated first reduce the carrying amount of any goodwill allocated to the cash generating unit and then to reduce the carrying amounts of the other assets in the unit (group of units) on a pro rata basis. The recoverable amount of an asset or cash-generating unit is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

NOTES TO THE CONSOLIDATED AND SEPARATE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022 (CONTINUED)

3. MATERIAL ACCOUNTING POLICIES (CONTINUED)

(n) Impairment of non- financial assets (continued)

Impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised. Impairment losses in respect of goodwill are not reversed.

(o) Assets held for sale

Non-current assets or disposal groups comprising assets and liabilities that are expected to be recovered primarily through sale or distribution than through continuing use are classified as held for sale or distribution. Immediately before classification as held for sale or distribution the assets or components of a disposal group are measured in accordance with the Group's accounting policies. Thereafter generally the assets or disposal group are measured at the lower of their carrying amount and fair value less costs to sell. Any impairment loss on a disposal group is allocated first to goodwill and then to the remaining assets and liabilities on a pro rata basis.

Impairment losses on initial classification as held for sale or distribution and subsequent gains and losses on re-measurement are recognised in profit or loss. Gains are not recognised in excess of any cumulative impairment loss.

Once classified as held for sale or distribution, assets are no longer amortised or depreciated, and any equity-accounted investee is no longer equity accounted.

(p) Provisions

A provision is recognised in the statement of financial position when the company has a legal or constructive obligation as a result of a past event and it is probable that an outflow of economic benefits will be required to settle the obligation. If the effect is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability.

(q) Finance income and expenses

Finance income and expenses comprise interest expense on borrowings and foreign currency losses. Borrowing costs, not relating to qualifying assets, are recognised in profit or loss using the effective interest rate.

Foreign exchange gains and losses are report on a gross basis.

(r) Segmental reporting

The Group determines and presents operating segments based on the information that internally is provided to the Group Chief Executive Officer (CEO), who is the Group's chief operating decision maker.

The Group has three reportable segments which are the Group's geographic locations.

The geographic locations offer similar products to different markets and are managed separately because they require different marketing strategies.

NOTES TO THE CONSOLIDATED AND SEPARATE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022 (CONTINUED)

3. MATERIAL ACCOUNTING POLICIES (CONTINUED)

(r) Segmental reporting (continued)

The CEO reviews the internal management reports on each of the segments on a monthly basis. The performance of each segment is measured on segment profit as included in the management report. Segment profit is used to measure performance as management believes that such information is the most relevant in evaluating the results of the businesses.

Specific segmental information is disclosed in Note 30.

(s) Earnings per share

The Group presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares.

(t) Comparative information

Where necessary, comparative figures have been represented to conform with changes in presentation in the current year.

(u) New standards, amendments and interpretations

(i) New standards, amendments and interpretations effective and adopted during the year

The Group and Company has adopted the following new standards and amendments during the year ended 31 December 2022, including consequential amendments to other standards with the date of initial application by the Group and Company being 1 January 2022.

(v) New standards, amendments and interpretations

(ii) New standards, amendments and interpretations effective and adopted during the year

New standard or amendments	Effective for annual periods beginning on or after
– Amendments to IAS 37 Onerous Contracts – Cost of Fulfilling a Contract	1 January 2022
– Amendments to IAS 16 Property, Plant and Equipment: Proceeds before Intended Use	1 January 2022
– Annual Improvements to IFRS Standards 2018–2020	1 January 2022
– Amendments to IFRS 3 Reference to the Conceptual Framework	1 January 2022

The above new standards and amendments did not have a material impact on the financial statements of the Group and Company.

NOTES TO THE CONSOLIDATED AND SEPARATE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022 (CONTINUED)

3. MATERIAL ACCOUNTING POLICIES (CONTINUED)

(iii) New standards, amendments and interpretations in issue but not effective for the year ended 31 December 2022

A number of new standards, amendments to standards and interpretations are not yet effective for the year ended 31 December 2022 and have not been early adopted by the Group and Company. The Group and Company are in the process of assessing the impact of these standards on the Company Financial Statements.

New standard or amendments	Effective for annual periods beginning on or after
— Amendments to IAS 1 Classification of Liabilities as Current or Non-current	1 January 2023
— Amendments to IFRS 17 Insurance Contracts	1 January 2023
— Disclosure of Accounting Policies (Amendments to IAS 1 and IFRS Practice Statement 2)	1 January 2023
— Definition of Accounting Estimate (Amendments to IAS 8)	1 January 2023
— Deferred Tax Related to Assets and Liabilities Arising from a Single Transaction – Amendments to IAS 12 Income Taxes	1 January 2023
— Amendments to IFRS 16 – Leases	1 January 2024
— IAS 1 – Presentation of Financial Statements	1 January 2024

All standards and interpretations will be adopted at their effective date (except for those standards and interpretations that are not applicable to the entity).

4. REVENUE, OTHER INCOME AND EXPENSES (CONTINUED)

	GROUP		COMPANY	
	2022 KShs '000	2021 KShs '000	2022 KShs '000	2021 KShs '000
(a) Revenue				
Sale of electrical cables and conductors	2,605,761	1,848,083	2,211,916	1,616,851

Revenue from sale of goods is recognised as and when control is transferred to the customer on the basis of the percentage of completion of a service contract within the accounting period; to the extent that the customer has accepted the good and the collectability of the related receivable is reasonably measured.

At 31 December 2021	842,066	922,036	2,506	12,994	103,470	1,883,072

Depreciation is based on the cost of an asset less its residual value. Depreciation is charged on a straight-line basis over the estimated useful lives of the assets. The annual rates of depreciation used are as follows:

- Leasehold buildings Over the shorter of the lease period and the asset's useful life
- Plant and machinery 10%
- Computers 33.3%
- Motor vehicles 25%
- Furniture, fittings, and equipment 12.5% - 20%
- Construction work-in-progress Not depreciated until after commissioning.

The assets' residual values, useful lives and depreciation methods are reviewed and adjusted as appropriate at each reporting date.

NOTES TO THE CONSOLIDATED AND SEPARATE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022 (CONTINUED)

11. PROPERTY, PLANT AND EQUIPMENT (Continued)

Revaluation

The directors are of the view that the value carried in the books is a fair estimate of the current value of the assets as at the statement of financial position date.

Included in property, plant and equipment are assets with a gross value of KShs 284 million (2021 – KShs 105 million), which are fully depreciated, and still in use. Such assets would have attracted a notional depreciation of KShs 94 million (2021 – KShs 70 million).

If the buildings, plant and machinery were stated on the historical cost basis, the amounts would be as follows:

Group	Buildings KShs'000	Plant and machinery KShs'000	Total KShs'000
At 31 December 2022			
Cost	884,526	2,067,896	2,952,422
Accumulated Depreciation	(233,151)	(2,067,896)	(2,301,047)
Net carrying value	651,375	-	651,375
At 31 December 2021			
Cost	858,809	2,170,300	3,029,109
Accumulated Depreciation	(215,460)	(2,170,300)	(2,385,760)
Net carrying value	643,349	-	643,349
Company	Buildings	Plant and	Total
	KShs'000	machinery	KShs'000
		KShs'000	
At 31 December 2022			
Cost	835,003	1,707,840	2,542,843
Accumulated Depreciation	(211,149)	(1,707,840)	(1,918,899)
Net carrying value	623,854	-	623,854
At 31 December 2021			
Cost	835,003	1,839,790	2,674,793
Accumulated Depreciation	(194,449)	(1,839,790)	(2,034,239)
Net carrying value	640,554	-	640,554

Security

At 31 December 2022, land and buildings for Group and Company with a carrying amount of KShs 2,989 million and KShs 1,866 million (2021 – KShs 3,121 million and KShs 1,972 million) respectively, are subject to a registered debenture securing a bank loan facility. Plant and machinery for the Group and Company with a carrying amount of KShs 1,186 million and KShs 893 million (2021 – KShs 1,280 million and KShs 1,039 million) respectively are subject to a registered debenture to secure bank loan facilities. A motor vehicle with a cost of KShs 4.3 million (2021 – KShs 4.3 million) is also held as security for a bank loan.

Total value of debentures	2,300	2,300	2,300	2,300

20. RETIREMENT BENEFITS OBLIGATIONS

The Group and Company operate a Gratuity arrangement for its unionisable employees. The Gratuity arrangement is provided under a Collective Bargaining Agreement effective from 18th December 2021.

The benefits in the Memorandum of agreement are defined on retirement and death. The Gratuity arrangement is defined benefit in nature with benefits linked to past service and salary at time of exit. Generally, on retirement, the benefit provided to employees for service from 1 to 5 years is 16 days pay for each completed year of service, for service from 6 to 10 years 20 days pay for each year of service and for service over 10 years 23 days' pay for each year of service.

	GROUP		COMPANY	
	2022 KShs '000	2021 KShs '000	2022 KShs '000	2021 KShs '000
Opening benefit obligation	42,092	40,601	25,389	25,283
Current service cost net of employees' contributions - charged to profit or loss	2,361	2,410	1,431	1,556
Interest cost charged to profit or loss	5,198	4,839	3,204	3,126
Actuarial loss/(gain) charged to other comprehensive income	(8,817)	(6,215)	(5,689)	(4,576)
Benefits and expenses paid	(1,581)	(196)	(929)	-
Translation losses/(gains)	1,300	653	-	-
Closing benefit obligation	40,553	42,092	23,424	25,389

The principal actuarial assumptions used in determining service gratuity obligations for the company are shown below:

	KENYA		TANZANIA	
Actuarial assumptions	2022	2021	2022	2021
Discount rate (% p.a.)	13.75%	12.50%	10.50%	11.00%
Future salary increases (% p.a.)	10.00%	10.00%	10.00%	10.00%
Mortality Assumptions - Males	KE 2001-2003 Males	KE 2001-2003 Males	TZ 2001-2003 Males	TZ 2001-2003 Males
Mortality Assumptions - Females	KE 2001-2003 Females	KE 2001-2003 Females	TZ 2001-2003 Females	TZ 2001-2003 Females
Weighted average duration of defined benefit obligation	9.1	9.7	9.0	9.6

NOTES TO THE CONSOLIDATED AND SEPARATE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022 (CONTINUED)

20. RETIREMENT BENEFITS OBLIGATIONS ((Continued))

Sensitivity of the results

The results of actuarial valuation will be more sensitive to changes in financial assumption than changes in the demographic assumptions. In preparing the sensitivity analysis of the results to the discount rate used, the actuaries have relied on the calculations of the duration of the liability.

A quantitative sensitivity analysis for significant assumptions as at 31 December 2022 is as shown below:

Group	Discount rate		Salary rate	
	1% KShs '000	-1% KShs '000	1% KShs '000	-1% KShs '000
Net liability at start of the period	42,092	42,092	42,092	42,092
Net expense recognised in the profit or loss	7,577	7,577	7,577	7,577
Net expense recognised in the other comprehensive income	(12,147)	(5,006)	(4,957)	(12,242)
Employer contributions	(1,581)	(1,581)	(1,581)	(1,581)
Net liability at end of the period	35,941	43,082	43,131	35,846

Company	Discount rate		Salary rate	
	1% KShs '000	-1% KShs '000	1% KShs '000	-1% KShs '000
Net liability at start of the period	25,389	25,389	25,389	25,389
Total Net expense recognized in the profit or loss	4,654	4,654	4,654	4,654
Net expense recognized in the other comprehensive income	(7,555)	(3,557)	(3,500)	(7,631)
Employer contributions	(929)	(929)	(929)	(929)
Net liability at end of the period	21,559	25,557	25,614	21,483

Key Risks

The key risks associated with the Gratuity arrangement are as follows:

- The benefits are linked to salary and consequently have an associated risk to increases in salary.
- The benefits are defined as per the Memorandum of Agreement, normally effective for two years. Negotiations with the trade union could change these benefits and materially change the costs of the company.
- The Arrangement is unfunded with no separate assets. Investment risk would therefore not arise on the Arrangement.
- Benefits in the Arrangement are payable on retirement, death or redundancy. The actual cost to the Company of the benefits is therefore subject to the demographic movements of employees.

NOTES TO THE CONSOLIDATED AND SEPARATE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022 (CONTINUED)

26. CONTINGENT LIABILITIES

Guarantees with the bankers amounted to KShs 32 million as at 31 December 2022 (2021 – KShs 32 million). Letters of credit amounted to KShs 33 million as at 31 December 2022 (2021 – KShs 107 million) whose related liabilities have been accrued in the financial statements as appropriate for the supplies.

27. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

Overview

The Group and Company has exposure to the following risks from its use of financial instruments:

- (a) Credit risk;
- (b) Liquidity risk; and
- (c) Market risk.

This note presents information about the Group's and Company's exposure to each of the above risks, the Group's and Company's objectives, policies and processes for measuring and managing risk, and the Group's and Company's management of capital. Further quantitative disclosures are included throughout these consolidated financial statements.

The board of directors has overall responsibility for the establishment and oversight the Group's and Company's risk management framework. The finance department identifies, evaluates and addresses financial risks. The Board provides written principles for overall risk management, as well as written policies covering specific areas such as foreign exchange risk, interest rate risk, credit risk, and investing excess liquidity.

The Board of Directors oversees how management monitors compliance with the Group's and Company's risk management policies and procedures and reviews the adequacy of the risk management framework in relation to the risks faced by the Group and Company.

(a) Credit risk

Credit risk is the risk of financial loss to the Group and Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations and arises principally from the Group's and Company's receivables from customers and investment securities.

Trade and other receivables

The Group's and Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the Group's and Company's customer base, including the default risk of the industry and country in which customers operate, has less of an influence on credit risk.

The Group and Company has established a credit policy under which each new customer is analysed individually for creditworthiness before the Group's and Company's standard payment and delivery terms and conditions are offered. Customers that fail to meet the Group's and Company's benchmark creditworthiness may transact with the Group only on a prepayment basis.

The Group and Company has a stringent debt provisioning policy that represents its estimate of incurred losses in respect of trade and other receivables and investments. The main component of this allowance specific loss component that relates to individually significant exposures.

NOTES TO THE CONSOLIDATED AND SEPARATE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022 (CONTINUED)

27. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (Continued)

(a) Credit risk (continued)

The Group and Company also manages the level of credit risk by focusing on customer satisfaction as a key performance indicator. It also maintains a short credit period. Due to the nature of the Group's and Company's activities, credit risk concentrations are high due to reliance on some customers and as such close monitoring of credit relationships is carried out.

The carrying amount of financial assets represents the maximum exposure to credit risk. The maximum exposure to credit risk at the reporting date was:

	GROUP		COMPANY	
	2022 KShs '000	2021 KShs '000	2022 KShs '000	2021 KShs '000
Trade receivables	396,722	255,487	344,649	211,804
Due from subsidiaries	-	-	460,550	393,654

Bank balances	129,221	96,532	39,249	20,736
	534,521	361,096	853,026	635,271

Short term deposits

The Group and Company's limits its exposure to credit risk by only investing in short term deposits in money market.

Expected credit loss (ECL) assessment as at 1 January and 31 December 2022

The Group and Company use a provision matrix to measure the ECL based on a factor of the following:

- Probability of default
- Exposure at default, and
- The loss given default.

The probability of default is based on 12-month flow rates with an adjustment for forward looking information.

The following table provides information about the exposure to credit risk and ECLs for trade receivables as at 31 December 2022.

	GROUP		COMPANY	
	2022 KShs 000	2021 KShs 000	2022 KShs 000	2021 KShs 000
Due from government institutions	71,268	77,968	51,833	59,919
Not past due	173,450	100,339	135,136	90,594

Loss allowance	(877,534)	(847,359)	(641,368)	(635,365)
Net trade receivables	396,722	255,487	344,649	211,804

NOTES TO THE CONSOLIDATED AND SEPARATE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022 (CONTINUED)

27. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (Continued)

(a) Credit risk (continued)

(i) Trade receivables

Loss rates are based on actual credit loss experience over the past 60 months, current conditions plus the Group's view of economic conditions such as inflation, commercial bank interest rates and growth in the economy's gross domestic product.

(ii) Intercompany receivables

For Group and Company, the calculated ECL for intercompany balances, which represents the probability of default was 85%, which considers historical experience over the last 12 months, current conditions, exchange rates and country risk. These rates were applied to the gross outstanding amount and resulted in a loss allowance of KShs 49,903,000 and KShs 210,925,000 for the Group and Company respectively for the year ended 31 December 2022.

	GROUP		COMPANY	
	2022 KShs 000	2021 KShs 000	2022 KShs 000	2021 KShs 000
Related party receivables				
East African Cables (Tz)	-	-	621,572	546,561
Due from other related parties	58,481	53,068	58,481	53,068
Gross owed by related parties	58,481	53,068	680,053	599,629
Loss allowance	(49,903)	(43,991)	(210,925)	(196,898)
Net receivables owed by related parties	8,578	9,077	469,128	402,731

(iii) Cash and cash equivalents

The Group and company held cash and bank balances of KShs 129,221,000 and KShs 39,249,000 respectively (2021: Group - KShs 96,532,000 and Company KShs 20,736,000). The cash and bank balances are held with banks and financial institution counterparties, which are rated between A1 to B2, based on GCR, S&P and Moody's ratings.

Impairment on cash and cash equivalents has been measured on a 12 month expected credit loss basis and reflects the short maturities of the exposures. The Group considers that its cash and cash equivalents have low credit risk based on the external credit ratings of the counterparties. An impairment amounting to KShs 1,479,000 was recorded in the year.

(b) Liquidity risk

Liquidity risk is the risk that the Group and Company will not be able to meet their financial obligations as they fall due. The Group's and Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group's and Company's reputation.

Typically, the Group and Company ensures that it has sufficient cash on demand to meet expected operational expenses for a period of 60 days, including the servicing of financial obligations; this excludes the potential impact of extreme circumstances that cannot reasonably be predicted, such as natural disasters.

In addition, as at 31 December 2022, the Group and Company maintained KShs 170 million (2021 - KShs 170 million) letter of credit facility for importation of raw materials. The line of credit is utilised in issuance of letters of credit to suppliers of critical raw materials.

NOTES TO THE CONSOLIDATED AND SEPARATE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022 (CONTINUED)

27. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (Continued)

(c) Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates and interest rates will affect the Group's and Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return on risk

(i) Interest rate risk

The Group's and Company's operations are subject to the risk of interest rate fluctuations to the extent that interest earning assets (including investments) and interest-bearing liabilities mature or reprice at different times or in differing amounts. Risk management activities are aimed at optimizing net interest income, given market interest rates levels consistent with the group's and company's business strategies.

The table below summarises the exposure to interest rate risks. Included in the table below are the Group's and Company's assets and liabilities at carrying amounts, categorized by the earlier of contractual reprising or maturity dates:

Group

	Average effective interest rate	Due within 3 months KShs '000	Due between 3 and 12 months KShs '000	Due between 1 and 5 years KShs '000	Due after 5 years KShs '000	Non- interest bearing KShs '000	Total KShs'000

27. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (Continued)

(c) Market risk (continued)

(ii) Currency risk

The Group and Company is exposed to currency risk through transactions in foreign currencies. Foreign currency gains and losses are recognised in profit or loss.

In respect of monetary assets and liabilities in foreign currencies, the company ensures that its net exposure is kept to an acceptable level by buying foreign currencies at spot rates to enable the company to meet its obligations.

The Group's and Company's exposure to currency risk mainly arises from transactions denominated in US Dollar.

The Group's and Company's exposure to foreign currency risk was as follows based on notional amounts in US dollars:

	GROUP		COMPANY	
	2022 KShs'000	2021 KShs'000	2022 KShs'000	2021 KShs'000

Sensitivity analysis

A 10 percent strengthening/weakening of the Kenya shilling against the following currencies would have increased profit or loss by amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant. The analysis is performed on the same basis for 2021:

	Profit or loss			
	2022	2021	2022	2021
	KShs '000	KShs '000	KShs '000	KShs '000
At 31 December	93,555	80,860	81,575	74,569

(d) Capital risk management

The group's and company's objectives when managing capital are to safeguard the group's and company's ability to continue as a going concern in order to provide returns for shareholders and the benefits for other stakeholders and to maintain an optimal capital structure to reduce the cost of capital.

The Board's policy is to maintain a strong capital base so as to maintain creditor and market confidence and to sustain future development of the business. The Board of Directors monitors the return on capital and the level of dividend pay-out to its shareholders.

The group and company monitor capital on the basis of the gearing ratio. This ratio is calculated as net debt divided by total capital. Net debt is calculated as total borrowings (including current and non-current borrowings) less cash and cash equivalents. Total capital is calculated as equity as shown in the consolidated and separate statement of financial position plus net debt. The gearing ratio at end of the reporting period was as follows:

	GROUP		COMPANY	
	2022	2021	2022	2021
	KShs'000	KShs'000	KShs'000	KShs'000
Borrowings:				
Bank loans	2,383,419	2,265,702	1,868,310	1,851,781

28. ULTIMATE HOLDING COMPANY

The ultimate holding company is Trans-Century Plc, a company incorporated in Kenya.

29. EVENTS AFTER REPORTING DATE

No material events or circumstances have arisen between the accounting date and the date of this report.

30. SEGMENTAL REPORTING

Management has determined the operating segments based on the reports reviewed by the Strategy committee. The committee considers the business from a geographical perspective. This committee has the primary responsibility of overseeing implementation of strategic decisions of the board including product and geographical diversification. Geographically, management considers the performance of the business in Kenya, Uganda and Tanzania. The reportable operating segments derive their revenues primarily from manufacture and sale of electric cables, conductors and traded products. The Strategy committee assesses the performance of the operating segments on a measure of profit/(loss) before tax.

Capital expenditure	622	4,024	4,097	2,902	4,719	6,926
Depreciation expense & amortisation	165,513	197,285	56,738	49,191	222,251	272,183

Segment capital expenditure is the total cost incurred during the period to acquire segment assets that are expected to be used for more than one period. Segment revenue is based on the geographical location of both customers and assets. Sales between segments are carried out at arm's length. The revenue from external parties reported to the Strategy committee is measured in a manner consistent with that in the income statement. There is no reliance on individually significant customers by the group. The amounts provided to the Strategy committee in respect of total assets and total liabilities are measured in a manner consistent with that of the financial statements.
