Socio-Economic Relevance

Aspire to be a Customer-Centric, Top Tier, Digitally-driven Bank in East Africa

Imperatives

- Sustain and build on DTB's market position as a Tier I bank, with **deposit-driven growth**.
- Leverage DTB's **brand strength & business model** to **rapidly scale up and grow its customer base**.
- Ramp up DTB's digital transformation agenda so that we become **digital to the core, addressing and anticipating customer needs**.
- Develop **partnerships and distinctive ecosystems** in key sectors such as SMEs, health, education, agro, etc.
- Become a thought-leader and **lead practitioner in Environmental, Social and Governance (ESG) compliance**.
- Pursue inorganic growth, through **mergers and acquisitions** subject to identification and evaluation of high potential, viable opportunities and targets.

Enablers

- High impact **brand campaigns**.
- Digitally literate **talent pool** through new recruitments, re-skilling of existing employee complement and retention of workforce.
- Augment the capacity of the **sales force team** through new hires **dedicated to new customer acquisition** as well as introduction of new sales tools and techniques.
- **Branch expansion**, 20 locations in 2022, and another 20 locations by 2024, and **branch transformation** through which the role of branches evolves beyond transaction processing to 'in person' advisory, sales and service.
- **Agile digital platforms**, technology and cyber security assets, data and analytics infrastructure, business process automation, artificial intelligence etc.
- Continuous product evolution by refreshing existing products and services and **tailoring new solutions**.

KEY GROWTH INITIATIVES– BRANCH EXPANSION & TRANSFORMATION

Providing **physical access** to existing and prospective customers in **key locations** DTB is not present.

DTB is looking at opening **20 new branches this year** and **another 20 branches by 2024** expanding our network size to **nearly 200 branches in East Africa** and **over 100 branches in Kenya**.

Branch transformation through which the role of existing branches at select locations evolves beyond transaction processing to offering 'in person' advisory, sales and service.

Major Sustainability Milestones:

DTB **joined the UN Global Compact** in 2021 and committed to support and implement the UNGC Principles on human rights, labour, environment, and anti-corruption.

DTB has embarked on collecting, calculating, reporting, reducing, and offsetting the Bank's carbon emissions with the **aim of being carbon neutral by 2030.**

DTB has collected and recycled **over 4.5 tonnes** of paper waste since October 2019.

DTB focused efforts on access to clean water by funding the drilling of 3 boreholes and construction of 40 water catchment springs in Mombasa and Migori, **enabling over 20,000 households access safe water.**

In the effort to promote SDG 5 on Gender equality the ratio of men to women in 2021 is **51:49**. 27% of the executive management across the Group comprises of women.

As part of the effort to sustainably contribute to Environmental Conservation and offset our Carbon emissions DTB runs a campaign dubbed **Much More Than Trees (#MMTT)**. The campaign aims to engage and empower various community members to plant, nurture and protect trees within the Environment as they benefit from them in the long run. So far **more than one million trees have been planted** through the initiative

DTB hosted a series of financial literacy training sessions aimed at empowering micro, small and medium-business owners to run their businesses in a sustainable and efficient manner. The Bank hosted **3,200 participants** over 8 sessions.

DTB is also one of seven banks that has partnered with the National Government to implement the Credit Guarantee Scheme, which offers SMEs affordable credit to sustain their operations from the adverse effects of the pandemic. So far, **over 170 loans** amounting to KShs 427m plus have been disbursed.

DTB launched an initiative dubbed **#AchieveMoreGirls** in which DTB is committed to spend **Kshs 50 Million over five years** on an initiative to support over 30,000 schoolgirls access quality menstrual health products. In 2020 and 2021 more than 15,000 girls have been reached.

DTB is revamping its existing environmental and social risk framework by developing a **robust Environmental and Social Management System (ESMS)** with an articulated policy, procedures and processes which are integrated into the Bank's credit cycle. DTB has a roadmap on how to further embed Environmental and Social Risk Management in line with the recently issued guidelines on Climate-Related Risk Management by CBK and Nairobi Securities Exchange ESG disclosures guidance manual.
