WHAT DIFFERENTIATES US

Diamond Trust Bank (DTB) is a leading, Tier I East African commercial bank headquartered in Nairobi, Kenya and listed on the Nairobi Securities Exchange (NSE) since 1972. As one of Eastern Africa's leading and longest established banking groups, we understand the intricacies of the region's markets and provide a wide range of services in business and retail banking. To continue staying at the forefront of the industry, we are **re-imagining banking**.

We use innovation and digital technology to extend our reach, provide convenience and a better customer experience, as well as become more agile in creating tomorrow's solutions. The Group remains **a purpose-driven institution** with a tailored corporate culture to the local markets in which it operates in and is driven towards a more **customer-centric and innovative business organisation**.

MACRO- ECONOMIC HIGHLIGHTS- KENYA

Inflation, CBR and 91-Day T-Bills rate (%)

- CBR is only applicable to 30% of the Banks’ legacy Kenya Shilling denominated loans still under Rate Cap Law (now repealed).
- T-bills rate has remained stable-Government is converting short term debt to long term bonds to ease repayment burden
- Inflation is stable anchored by stable monetary policies put in place

DTB's RESPONSE TO COVID-19

Citizenship

Committed the equivalent of over KShs 100 million to COVID-19 support in East Africa. Supported **over 30,000** economically vulnerable households across East Africa.

Relief to Borrowers

Repayment holidays granted for stressed facilities. As at Q1 2021 valued at KShs 72 Billion (**33% of loan book**) across the Group.

MSME Credit Access

Partnered with the National Treasury of Kenya to provide access to credit amounting to **KShs 1.6 billion to MSMEs**, under the Credit Guarantee Scheme.

Pivoting to Digital

Waived fees on mobile banking transactions to discourage the use of cash. Transaction fees foregone amounted to **KShs 140 million** since March 2020.

Capital Buffers

Given the global and regional uncertain operating environments, we have **enhanced our capital buffers**.

Liquidity Buffers

Boosted DTB's liquidity through **USD 100 million in new funding** from Development Finance Institutions.

DTB's APPROACH TO SUSTAINABILITY

DTB's approach to sustainability involves connecting directly with people and making a lasting impact on their lives. DTB gives careful consideration to the impact of our business activities on the interests of our stakeholders— customers, employees, the larger community and shareholders. We strive to create sustainable social and economic value by delivering delightful and lasting experiences to all those we interact with.

The Bank continues to track progress in 10 of the 17 UN SDGs. More details of the same can be found on the Bank's website by visiting: https://dtbk.dtbafrica.com/sites/default/files/downloads/2020_Integrated_report.pdf

DTB's STRATEGY- DTB VISION 2020

DTB Vision 2020 envisioned DTB as a **leading commercial bank** and a **significant participant** in the economies where it operates:

- Rank among the top tier banks by liabilities
- Be a sustainable deposit led bank (CASA)
- Play a leading role in transitioning economies to support economic development
- as a 'one- bank, one customer' omnichannel regional bank.
- by providing seamless and consistent customer experience, across borders, through a multiplicity of channels:
 - traditional (branches, ATMs, cards etc.)
 - digital channels (enriched mobile banking and enhanced on-line banking platforms, digital branches, social media channels, etc.)

DTB Vision 2020

DTB's STRATEGY-

DTB STRATEGY 2030 AND BEYOND

DTB Strategy 2030 and Beyond: under review and modification:

- will take into account the changing environment and customer behaviour, including the ongoing effects of the unexpected COVID-19 pandemic and the post-pandemic business landscape.
- will be anchored on the improvement in the quality of lives of customers – those that DTB is currently serving, as well as those that are under-served.
- will be digital at the core through continued investment in its people, new skills and technologies (Big Data analytics, Artificial Intelligence (AI), robotics, cloud computing, etc) and innovation.
