WHAT DIFFERENTIATES US

- a leading, Tier I East African commercial bank headquartered in Nairobi, Kenya.
- listed on the Nairobi Securities Exchange (NSE) since 1972.
- understand the intricacies of the region's markets and provide a wide range of services in business and retail banking.
- continuously re-imagining banking.
- use innovation and digital technology to extend DTB's reach, provide convenience and a better customer experience, as well as become more agile in creating tomorrow's solutions.
- remaining a purpose-driven institution with a tailored corporate culture to the local.
- driven towards a more customer-centric and innovative business organisation.

Customer Base

- 1/4 Adult Kenyans banking with DTB by 2031 (10 million Customers)
- 1/6 Adult Kenyans banking with DTB by 2026 (5 million Customers)

Digital Transformation

- Digital Applications
- Digital Banking Platform
- Digital Partnerships
- Cloud Computing
- Data & Analytics

Amongst the Leading Sustainability Practitioners in East Africa

- Achieve Net Zero carbon emissions by 2030.
- Adoption of GRI and TCFD frameworks for reporting and disclosure.

Imperatives

**Aspire to be
a Customer-
Centric, Top
Tier, Digitally-
driven Bank in
East Africa**

- Sustain and build on DTB's market position as a Tier I bank, with **deposit-driven growth**.
- Leverage DTB's **brand strength & business model** to **rapidly scale up and grow its customer base**.
- Ramp up DTB's digital transformation agenda so that we become **digital to the core, addressing and anticipating customer needs**.
- Develop **partnerships and distinctive ecosystems** in key sectors such as SMEs, health, education, agro, etc.
- Become amongst the thought-leaders and **practitioners in Environmental, Social and Governance (ESG) excellence**.
- Pursue inorganic growth, through **mergers and acquisitions** subject to identification and evaluation of high potential, viable opportunities and targets.

Enablers

- High impact **brand campaigns**.
- Augment the capacity of the **sales force team** through new hires **dedicated to new customer acquisition** as well as introduction of new sales tools and techniques.
- Digitally literate **talent pool** through new recruitments, re-skilling of existing employee complement and retention of workforce.
- **Branch expansion**, 20 locations in 2022, and another 20 locations by mid-2024, and **branch transformation** through which the role of branches evolves beyond transaction processing to 'in person' advisory, sales and service.
- **Agile digital platforms**, technology and cyber security assets, data and analytics infrastructure, business process automation, artificial intelligence etc.
- Continuous product evolution by refreshing existing products and services and **tailoring new solutions**.

DTB KENYA GROWTH STRATEGY PROGRESS

Customer Base

DTB's APPROACH TO SUSTAINABILITY

DTB's Environmental Social and Governance (ESG) Anchors:

Environment

Social

Governance

Major Sustainability Milestones:

DTB **joined the UN Global Compact** in 2021 and committed to support and implement the UNGC Principles on human rights, labour, environment, and anti-corruption.

DTB has embarked on collecting, calculating, reporting, reducing, and offsetting the Bank's carbon emissions with the **aim of being carbon neutral by 2030.**

DTB's APPROACH TO SUSTAINABILITY

DTB has collected and recycled **over 6.4 tonnes** of paper waste since October 2019.

DTB focused efforts on access to clean water by funding the drilling of 3 boreholes and construction of 40 water catchment springs in Mombasa and Migori, **enabling over 20,000 households access safe water.**

In the effort to promote SDG 5 on Gender equality the ratio of men to women in 2021 is **51:49**. 27% of the executive management across the Group comprises of women.

As part of the effort to sustainably contribute to Environmental Conservation and offset our Carbon emissions DTB runs a campaign dubbed **Much More Than Trees (#MMTT)**. The campaign aims to engage and empower various community members to plant, and protect trees within the Environment as they benefit from them in the long run. So far **more than one million trees have been planted** through the initiative.

DTB hosted a series of financial literacy training sessions aimed at empowering micro, small and medium-business owners to run their businesses in a sustainable and efficient manner. The Bank hosted **3,200 participants** over 8 sessions since 2019.

DTB is also one of seven banks that has partnered with the National Government to implement the Credit Guarantee Scheme, which offers SMEs affordable credit to sustain their operations from the adverse effects of the pandemic. So far, **over 130 loans** amounting to KShs 283m plus have been disbursed.

DTB launched an initiative dubbed **#AchieveMoreGirls** in which DTB is committed to spend **Kshs 50 Million over five years** on an initiative to support over 30,000 schoolgirls access quality menstrual health products. In 2020 and 2021 more than 15,000 girls have been reached.

DTB is revamping its existing environmental and social risk framework by developing a **robust Environmental and Social Management System (ESMS)** with an articulated policy, procedures and processes which are integrated into the Bank's credit cycle. DTB has a roadmap on how to further embed Environmental and Social Risk Management in line with the recently issued guidelines on Climate-Related Risk Management by CBK and Nairobi Securities Exchange ESG disclosures guidance manual.

PBT CONTRIBUTION

- Despite the Kenya entity anchoring the group’s profitability, the subsidiaries contribution points to a growing resilience and diversity of the entities and their strategic importance to the group.
- The new Group strategy seeks to pivot DTB as a key market player in the East Africa banking market anchored on enhanced digital value proposition as well as offering a seamless banking service across the region.
