Macroeconomic Indicators

GDP Breakdown By Economic Activity Q1 2019

Trade Structure

- Rwanda's exports are dominated by coffee, tea and minerals (tin, coltan and wolfram).
- The country remains a net importer. Major imports include fuel and oils, intermediary goods especially construction materials, consumer goods, and capital goods driven by ongoing infrastructure projects.
- Other services include Real estate activities 8%, administration 10%, financial service 3% to mention but a few
- "Made in Rwanda" has sought to improve the perceptions of Rwandan products within Rwanda, promote nascent industries, and boost the productivity of exporting sectors.

Review of the Macro Economic Environment

Macro Economic Review Q1 2019

- In the First quarter of 2019, GDP at current market prices was estimated to be Frw 2,144 billion, up from Frw 1,987 billion in Q1 2018. In this quarter, services sector contributed 48 percent of GDP while agriculture sector contributed 28 percent of the GDP. Industry sector contributed 17 percent of the GDP and 7 percent was attributed to adjustment for taxes and subsidies on products.
- The industry sector grew by 18 percent and contributed 2.9 percentage points to overall GDP growth. The growth in industry sector was mainly attributed to growth of 30 percent and 8 percent in construction and manufacturing activities respectively. Mining & quarrying activities increased by 12% boosted by quarrying activities which increased by 20%. Within manufacturing, Beverages and Tobacco increased by 9 percent, Wood & paper; printing by 38%, Textiles clothes and leather goods by 15 percent. In addition production of construction materials such as non-metallic mineral products increased by 21 percent and metallic products by 11%.
- The service sector grew by 8 percent and contributed 3.7 percentage points to overall GDP growth. The growth in Service sector was due to growth of several activities. Within this sector, wholesale and retail trade increased by 7 percent due to an increase in tradable manufactured products; transport activities increased by 11 percent boosted by air transport that increased by 21 percent, financial services increased by 14 percent and Professional scientific and technical activities by 25%.

Interest Rate Analysis

Recent Regulatory Reforms To Improve Access To Credit

- Enactment of Law on Mortgages, requiring the registration of mortgages and enabling lenders to foreclose on defaulters
- Establishment of Commercial Courts dealing solely with commercial disputes
- Reorganization of the Land Centre which has computerised records and operations in addition to timely issuance of property titles
- Reorganization of the Office of the Registrar General to enhance and fast track registration of mortgages and foreclosures
- Establishment of Credit Reference Bureau to enhance information sharing among banks and other financial institutions in order to assist with credit risk assessment

CORPORATE GOVERNANCE

Shareholding Structure & Corporate Governance

Shareholding Structure as at March 2019

Free float- 60%

Corporate Governance

- ✚ The Board is composed of eight directors; 7 non-executive and Independent directors, 1 non-executive and non independent director that represent shareholder's interests. The Board of Directors is appointed by the shareholders and approved by the Central Bank and meets on a quarterly basis or more frequently as the business demands.
- ✚ The Board sets the strategy and retains full responsibility for the direction and control of the Bank as spelled out in the Memorandum and Articles of Association, the Board Charter and the BNR Corporate Governance guidelines.
- ✚ The Board sub-committees have clear TORs which underscore the scope and context of their mandate and performance as approved by the Board & the BNR Corporate Governance regulation.
- ✚ The Board receives detailed financial information and regular presentations from the management on the Bank's business performance; this enables the Directors to make informed decisions on governance, strategic, financial and operational issues.

Corporate Deposits: FRw 320.4 Bn

Number of Corporate Accounts

Executing The Retail Strategy

Retail Banking

Description

The Bank's retail business is primarily focused on mortgages and consumer loans with notable share of salary backed overdrafts

Key products:

- ☒ Mortgage loan: up to 15 years with typical customer participation at 30% of property value
- ☒ Vehicle loan: up to 5 years to individual clients
- ☒ Consumer loan: up to 12x monthly salary and 48 months
- ☒ Overdraft: up to 50% of monthly salary (normally repaid in 30-90 days)
- ☒ Other products include credit cards and asset based financing

Strategy:

- ☒ Build sufficient channel capacity to be able to service 1,000,000+ clients by 2021
- ☒ Through BKQUICK, a mobile solution towards savings and small loans, the Bank has been able to tap into the retail market competitively thus increasing loans and deposits in the segment. BK recovered more than 50% of funds in BK Quick NPL in 2 months.
- ☒ Expand credit card/debit card offering to other providers

 - ✚ Check Balances and Bank information;
 - ✚ Order cheque books;
 - ✚ Funds transfers including Interbank;

IKOFI wallet is a universal digital financial solution targeting all Rwandans.

The initial use case is for the Agricultural ecosystem, whereby Rwandan farmers and agro-dealers will be able to register using their NID or business certificates to start transacting with e-money and giving them the opportunity to create a Digital footprint while doing the very same things they do every day and join the formal banking sector thus having Access to Finance.

Farmers and Agro-dealers will have a fintech product tailored to suit their economic and personal lifestyles and which will open up a path into formal financial inclusion.

- | | | | |
|----|--|----|--|
| IK | Payment of Agro Inputs will be much smoother with minimal hustle by the Agro dealer. | IK | IKOFI has registered over 94,000 farmers (67,000 activated) and over 1,200 registered agents. A campaign is ongoing to significantly increase the number of field agents (increased proximity) and to close the gap on activated accounts. |
| IK | Both farmers and agro-dealers will build transaction history that will improve their credit worthiness | | |
| IK | A benefit of free P2P for all customer | | |
| IK | Farmers incentive of weekly promotion of 1M RWF for a period of 30 weeks | IK | A benefit of free P2P for all customer |
| | | IK | Access to stock loans for eligible Agro dealers |

STRATEGIC OUTLOOK

Strategic Outlook

Objectives

Strategies

Outcomes

Become the Universal Financial Services provider of Choice for all Rwandans

BK as a group intends to offer under one brand all financial services to its customers

Widen BK group scope of products and services

Grow Retail business, transactional revenue, Insurance, and brokerage and other services.

- ☒ Number of customers served by the group to reach 1,000,000 by 2021
- ☒ Strengthen BK Brand across all segments of the population.

Control Risk, strengthen systems and revolutionize customer experience

Provide main services of BK Group at Branch level

Customer service champions to convert customers into digital consumers

Operational and Effective Call Centre

Develop a business intelligence function to support decision making.

Provide key indicators in an easy format on a day to day basis.

- ☒ Maintain manageable NPLs at less than 5%.
- ☒ Reduce concentration, introduce automated scoring models for personal loans, salary advances and SMEs loans.
- ☒ Operational risk - enhance internal and external compliance
- ☒ solve customers pain points and ensure smooth and enjoyable customer experience.

Digital Financial Institution

Automation of processes, Integration of BK group systems to ensure a single view of customers, grow the number of digital consumers to at least 20% of BK Group customers

- ☒ IT system stabilised at 99% uptime of core banking systems and on all channels
- ☒ Compliance with global IT standards
- ☒ Focus on 4 pillars: Connectivity, Automation, Decision-making, Innovation
- ☒ Establish and maintain a centralized data base for the group
- ☒ Digitize Manual processes - Back office functions in BK Bank and BKGI to be digitized
- ☒ Develop new digital channels (Improve the APP, Prioritize mobile payments such as mVisa)

People

Attract and retain best talent in the industry

Targeted training in IT, Operations, Business Intelligence and Risk

Develop online training tools to ensure all BK Staff are regularly trained on policies, regulations

- ☒ Strong performance management systems

BK Digital Transformation Strategy

The new digital vision for Bank of Kigali is
 “Giving anyone, anywhere the best customer experience through digital”

Digital Initiatives

26 digital initiatives will be delivered over the next 3 years
(in no particular order)

Connectivity

- 1 Market leading retail digital platforms (across mobile app, web, USSD)
- 2 Market leading corporate banking and SME digital platform (web, mobile)

Automation

- 3 Account opening for retail customers
- 4 Payments and transfers for retail customers
- 5 Mortgages for retail customers
- 6 Credit cards for retail customers
- 7 Personal loans for retail customers
- 8 Account servicing for retail customers
- 9 Account opening for corporate, Bank, OFI and SME customers
- 10 Cash management for corporate, Bank, OFI and SME customers

Automation (cont.)
