- Economic & Industry Highlights

About Us

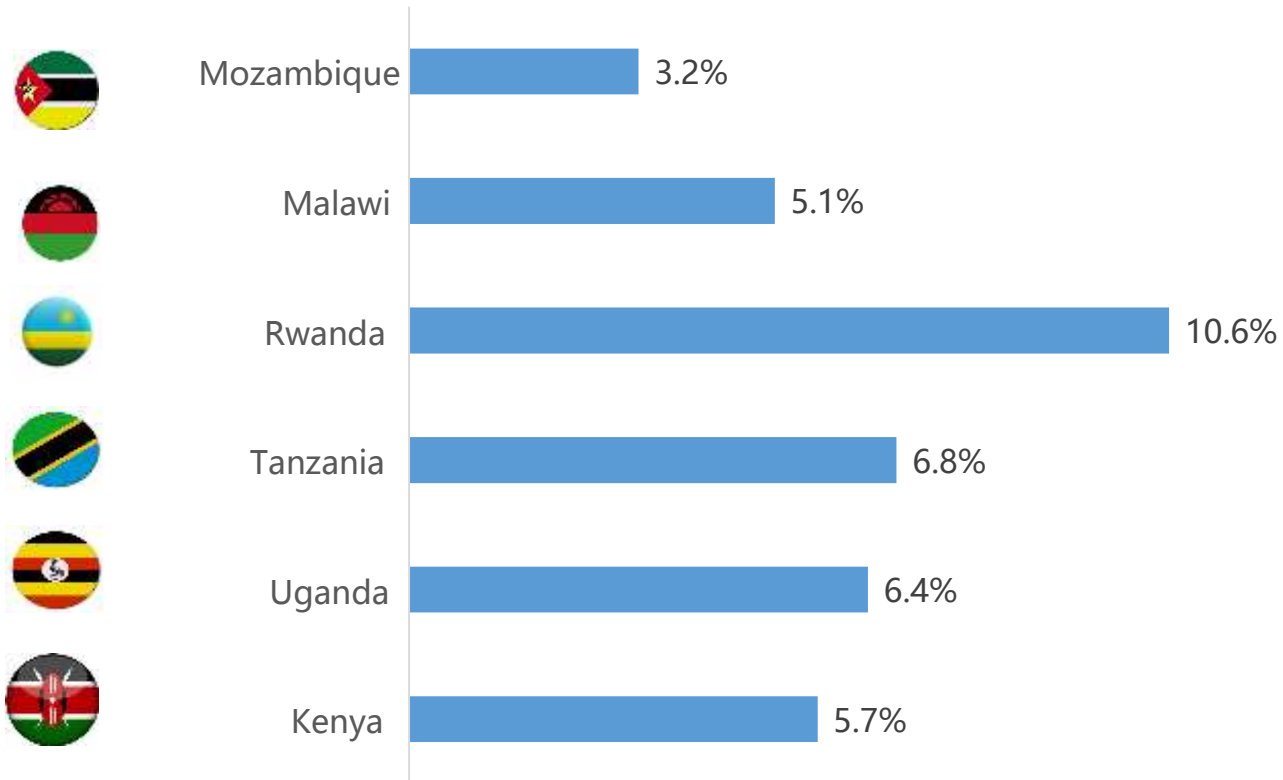

Britam is a leading diversified financial services group listed on the Nairobi Securities Exchange. The group has presence in seven countries in Africa namely; Kenya, Uganda, Tanzania, Rwanda, South Sudan, Mozambique and Malawi.

The group offers a wide range of financial solutions in Life Assurance, General Insurance, Health Insurance, Retirement Planning, Asset Management and Property. These solutions enable our customers to protect and grow their wealth and achieve their financial goals every step of the way.

Group Structure

Macro-Economic Review: 2018 Projected GDP Rates

Source: Trading Economics 2018

Better weather conditions to favour growth in economic activity in most regions albeit risks from declining interest rates.

Industry Highlights- Our Businesses

● Insurance

- Projected penetration rate for 2017 at 2.9% compared to 2.7% in 2016.
- 2018 Q1 Life insurance premiums at Kshs 21.9 billion (1.29%) with General insurance premiums at Kshs 43.3 billion (4.21%).

● Other Business

- Asset Management AUMs continue to grow driven by increased uptake of retail products.

● Regulatory

- In Kenya there was amendment to the finance bill introducing a new subsection (6B) which effectively brings to tax capital gains arising from the transfer of property by general insurance companies.

OUR **VALUES** RESPECT | INTEGRITY | INNOVATION | CUSTOMER FOCUS

Section 3: Strategy

Delivering on Our Strategy

Going forward, our flagship IT project, project Jawabu, has now positioned us to uniquely disrupt our market by delighting our customers through:

- **Omni-channel customer experience (CX):** Our customers will be able to interact with us via different mediums e.g. online, contact centre, facebook, whatsapp, etc and get assistance;
- **Customer Portals:** We are further increasing customer convenience by further launching a buy-online portals, Britam Apps, and USSD. Likewise, our intermediaries will further be able to interact with us through intermediaries portal e.g. FA portal, Broker Portal;
- **Process innovation:** We are launching virtual assistance which will revolutionize our workflow efficiencies and Service Level Agreements (SLA); and
- **Data management & Advanced analytics:** Our investment in technology now enables us to leverage on big data and business intelligence to support insights and improve customer experience.

THANK YOU

With you every step of the way
