Commentary:

The group recorded growth in turnover and profit before tax of 29% and 946% respectively compared to the same period last year. The growth in operating results was driven by increased sales in the regional market as well as recovery of our Tanzanian subsidiary. The current positive business trends are expected to continue.

Interim dividend

The board is pleased to announce the payment of an interim dividend of Kshs 0.30 per share. The dividend will be paid less withholding tax where applicable on or about 30th November 2011, to members on the register at the close of business on Friday, 2nd September 2011.

By order of the Board,

Virginia Ndunge
Company Secretary
July 13, 2011
