COMMENTARY

A challenging year with increased competition and market challenges. While turnover reduced gross and net profit, margins improved slightly, and net cash generation from operating activities remains healthy at Shs 326 million (2016: Shs 374 million). Profit after taxation reduced by 6% to Shs 352 million (2016: Shs 375 million), positively impacted by revaluation of investment properties by Shs 25 million (2016: nil) and fair value gain on equity investments of Shs 11 million (2016: loss of Shs 31 million). This resulted in the Earnings per Share of Shs 1.38 (2016: Shs 1.47).

The Directors have resolved to recommend to shareholders at the Annual General Meeting to be held on Friday, 15th December 2017 that a FINAL DIVIDEND of Shs 0.70 per share on the Issued Share Capital be declared payable to those registered at the close of business on 29th November 2017.
